As of March 3<sup>rd</sup>, **Life's Vision** will be showing a different movie every Friday evening in our new location at 270 Edmonton Street. We have been blessed with enough space to accommodate up to 30 people comfortably. The movies will be both educational, such as **Euthanasia Deception** and the **HUSH** documentary, or a nice story with a pro-life theme, such as **Bella** and **October Baby**.

Along with many other resources, **all movies are available to purchase in our Centre**.

The goal of movie night is to bring people together in a fun and friendly atmosphere. There is no cost for admission and we encourage you to bring a friend!

Please join us as we continue to provide education about the sanctity of life from the moment of conception to natural death.

If you have questions or would like a poster mailed to you, please call Heather at [204-233-8047](tel:204-233-8047).

### **Where does the word "Sorokousty" come from?**

The word "Sorokousty" literally means "forty mouths" (sorok = forty; ust = mouth). Originally, this was a prayer service offered by forty mouths or by forty priests. Historically, families would honor their deceased by holding services for them in the cathedrals on the 3rd, 9th and 40th day after their death -- with 40 priests celebrating the services. Today, Sorokousty is the service that honors the deceased and is offered during Lent.
