# What are YOUR terms?

The Apostle Thomas was not there immediately after Jesus had risen from the dead, probably because he was still straggling in coming back after having run with the other Apostles when Jesus was initially arrested... However, when he learned from the others that Jesus was in fact NOT dead, but had risen and was alive and had already shown himself to them, Thomas would not believe. He set terms, conditions, that would have to be satisfactorily fulfilled to him before he would believe.

St Thomas had no more right than any of the Apostles to insist upon such conditions. After all, Thomas too was an Apostle. He too walked with Jesus, heard His teaching, saw His miracles. Thomas had every reason to believe

that Jesus was indeed the Messiah, the Son of God. Jesus plainly spoke about His death and RESURRECTION. Then the Apostles and Mary and the holy women insisted that they had seen Jesus alive! But Thomas would still not believe! He insists that he must not only see the wounds, but put his fingers into them to verify that they are real! Jesus had no reason to accommodate Thomas except for His great love for the Apostle and the importance that 'the Twelve" would have the faith to get on with the all-important mission of Evangelizing the world. How often do we set terms for ourselves that can be very demanding?... "If.... then I will go" "If... then I will think about it..." We play games with our Lord, we play games with His mercy sometimes. Sometimes perhaps we set the bar so high just to give ourselves an excuse why we aren't fulfilling our Christian-Catholic calling... sometimes we insist on much before we will consider answering the calling that we hear in our hearts from the Lord Himself... Perhaps its time that we stopped living like doubters and starting believing and going forward...!

### A little inspiration from Mother Teresa for all of us...

One day in the mother house in Calcutta there were about three hundred novices and they were all out for the morning. One of the novices working in the kitchen came up to Mother Teresa and said, "We've planned poorly; we have no flour to back these chipaties for lunch." Chipaties are little flour and water pancakes. The situation looked bleak—three hundred plus mouths are coming to be fed in about an hour and a half and there's nothing to cook with. There's no food.

"What I would expect Mother Teresa to do," as explained to me, "was that Mother would pick up the telephone and call some of her benefactors and mobilize them to find some way to feed her daughters. Instead, her reaction—her spontaneous reaction—was to say to this little one, 'Sister, you're in charge of the kitchen this

week? Well then, go into the chapel and tell Jesus we have no food. That's settled. Now let's move on. What's next?"

Lo and behold, ten minutes later there was a ring at the door and Mother Teresa was called downstairs. A man she had never seen before was standing there with a clipboard. He addressed her saying "Mother Teresa, we were just informed that the teachers at the city schools are going on strike. Classes have been dismissed and we have 7,000 lunches we don't know what to do with. Can you help us use them?"

#### God provided for the needs of his children.

Mother Teresa's sanctity was built on a very simple foundation of deep faith and trust in God. Mother Teresa turned to Him in prayer, not only in need, but also to rest in the arms of the Father—body and spirit. That is how Mother Teresa lived each day of her life. Maybe we should all try to follow her great examples of true **FAITH!**

St. Paul's High School El Salvador Project 2015 Fundraising Dinner Since 2011, students from St. Paul's High School have traveled to a remote village in El Salvador called Loma Linda and closely related communities to participate in the construction of large and small projects. This year, eighteen students including our parish's own Spencer Katerynuk are travelling along with their teacher supervisors to the community of San Jose Las Flores to build a containment area for Talapia fish farming which will be used for sustenance for the local residents. The students and teacher supervisors are going on this mission at their own expense. All monies collected from the fundraiser will go directly to the project in San Jose Flores. Please help support St. Paul's High School and this group of missionaries on this worthy cause!		
TODAY!! 12 April - Holocaust Interfaith Commemoration Service This year marks the 8th anniversary of the Shaarey Zedek Holocaust Interfaith Commemorative Service which will be held on Sunday, April 12th. This moving event is based on the reading of the Megillat Ha-Shoah, or Holocaust Scroll—a recently composed scripture which follows in the tradition of formalizing significant events in Jewish history with inspired text. Each year, participants representing various civic, educational, and religious organizations in Winnipeg are invited to read from the Holocaust Scroll. This communal reading, and the lighting of candles by Holocaust survivors and their children, combine to make this an unforgettable experience. We want to spread the word through as many outlets as possible. If you can forward the message below to family, friends, colleagues, parishioners and others, we would deeply appreciate it. You can also "Like" and "Share" our posting on Facebook by visiting https:// www.facebook.com/ShaareyZedekWinnipeg Father Michael will be one of the guest readers at the ceremony!	On Monday, May 11, 2015, St. Paul's will be hosting its annual fundraising dinner to raise funds for project materials. The event will take place in school's Murray Hall. Tickets are only \$60! Doors open at 6:00 pm with dinner being served at 6:30 pm. There will be a cash bar with entertainment and a silent auction. Tax receipts will be issued. If interested please call Spencer at 204.299.1865 or email at speno@live.com. Please keep in your prayers Spencer and the rest of the St. Paul's students and teachers during their journey June 30— July 14, 2015.
