## ПАРАФІЯ ПРЕСВЯТОЇ ЄВХАРИСТІЇ

31 May 2015

All Saints Sunday

31 Травня 2015 р.

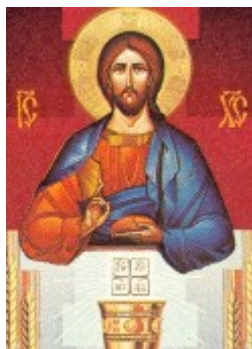

## THIS IS A BIG WEEK IN OUR PARISH!

**1.** We welcome everyone visiting us for **DOORS OPEN!** We are confident that you will be as amazed as we are with our beautiful church that has been built and developed by the parishioners over the years. We also hope that you are enjoying our humble, but from-the-heart hospitality. **WELCOME!**

**2.** We welcome the participants of this year's annual **WALK FOR MARY!** We thank you for choosing our parish once again as the central point for the event. May you raise the funds that you need to keep the Marian Hour program going for the many who listen to it from their homes and cars every night. God bless you for coming out to honour the Mother of God in this beautiful way.

**3.** We will be hosting many guests - especially from our sister parish St. Alphonsus - for our "annual" **FEAST OF THE HOLY EUCHARIST** celebration this Thursday, June 4th, beginning at 6:30 pm with the Divine Liturgy. This will be followed by the inspirational procession to St. Alphonsus, Benediction with the Blessed Sacrament, and a fellowship lunch hosted by both our parishes (John 13:35).

**4.** Finally, we host the exciting concluding event of the **VIBRANT PARISH ARCHEPARCHIAL SOBOR** that started in our Archeparchy with the three Regional Sessions in 2014. Now clergy and delegates from our parishes from around Manitoba will gather to finalize all the work and study with a final review and decision-making. This is taking place on Saturday, June 6th, beginning, as always, with the Eucharistic Divine Liturgy at 9:00 AM.

These are all wonderful opportunities for us to **show hospitality** to guests and to **witness** ourselves as to who we are as active members of the Mystical Body of Christ - the Church. **Let's all step forward and do our best. This is OUR parish!**

## THIS JULY 15... READY TO JOIN POPE FRANCIS!?

**Папа Римський не дивиться телевізор і не користується інтернетом** Папа Римський Франциск розповів, що вже майже 25 років не дивиться телевізор. Понтифік, який змінив звичні папські покої на скромний гостьовий будинок у Ватикані, в інтерв'ю аргентинській газеті сказав, що припинив дивитися телевізор увечері 15 липня 1990 року, давши обіцянку Діві Марії. Він також зізнався, що не користується інтернетом, а щоб бути в курсі світових подій, протягом десяти хвилин переглядає італійській газети. Крім того, він стежить за успіхами улюбленої аргентинської футбольної команди за допомогою своїх швейцарських гвардійців. (24tv.ua)

**The Pope doesn't watch TV and doesn't access the internet** (In fact, he hasn't wasted his time watching TV for almost 25 years!) The Holy Father, Pope Francis, who moved from the Papal Palace to the rather smaller guest building in the Vatican, recently revealed in an interview with an Argentinian newspaper that he stopped watching TV on the evening of July 15, 1990 as he made a promise to the Blessed Virgin Mary. He also revealed that he does not use the internet, so to stay informed about world events he peruses the Italian newspapers for about 10 minutes. What about keeping track of how his beloved Argentinian Soccer Team is doing? He asks the Swiss Guards.

Can you imagine how our lives would change if we went off TV and the Internet!? So much time to read things of importance... to discuss real ideas... to spend time with people... to enjoy the world around us... to pray... to come to church... to start great and little projects for the benefit of society...

**An average Canadian watches 4½ hours of TV a day! That's time you'll never get back. It could amount to 21 lost years (of waking hours) in a life time!**

**CNEWA calls on immediate support for Ukrainians displaced by war**  
Ottawa, Ontario, May 25, 2015 – According to the United Nations, there are more than one million displaced people in Ukraine and another half a million seeking refuge in neighbouring countries. Despite a ceasefire, daily violence remains a constant, with the death toll increasing and more families fleeing to save their lives from oppressive pro-Kremlin forces. The fear that a major conflict will erupt at any moment is high.

"We received dramatic calls for help from the local Catholic church and its relief organization Caritas Ukraine that provides care for desperate families forced to escape the conflict zones of the Donetsk and Luhansk regions," said Carl Hétu, National Director of CNEWA Canada. "These people were already very poor, but now they've lost their homes, their church, their way of life and don't know if they will ever be able to go back."

"The Ukrainian people have gone through so much violence in their history and just when peace and hope seemed within their grasp, Russian aggression, once again, is trying to stop this dream from coming true," said Winnipeg's Ukrainian Catholic Metropolitan Archbishop Lawrence Huculak, who is a CNEWA Canada board member. "I invite the Canadian population to be generous in helping these frightened people in need of shelter and basic supplies who, above all, need to regain their dignity and hope in these turbulent times."

Through their actions of the past year, the Ukrainian people have taken their destiny in their own hands and made a commitment to build a truly democratic and inclusive country that embraces its ethnic and religious diversity, added Hétu. "However the military threat from Russia and pro-Russian forces is threatening the future of Ukraine and has caused great suffering to innocent families." Canadians interested in making donations to help CNEWA and its partners in Ukraine are invited to do so by visiting [www.cnewa.ca](http://www.cnewa.ca) or to write a cheque to CNEWA Canada (Marked Emergency Ukraine) at 1247 Kilborn Place, Ottawa, Ontario, K1H 6K9 or by phone at 1-866-322-4441. As a registered charity, CNEWA will issue a tax receipt.

**Sobor 2014 Follow-up** for the original participants, including the pastors, of course, and other interested individuals from our parishes.

**June 6** - The workshop will start at 10:00 am at Holy Eucharist Parish Centre.

This, once again, will be a **half-day** workshop-style gathering for ALL the participants from **all three** regions. Presentation and analysis of the results will be part of the program, but - most importantly - we as members of the parishes of our particular eparchy will narrow them down and propose the best action for the immediate year. Lunch will be provided. We should be done by midafternoon so that travelers can still get home.

The amazing thing about Vision 2020 is that it is all so **VERY DOABLE!**
