## ПАРАФІЯ ПРЕСВЯТОЇ ЄВХАРИСТІЇ

30 August 2015

14th Sunday after Pentecost

30 Серпня 2015 р.

No matter which Gospel we turn to, there is always a wealth of inspiration & good advice to be found in it. Take the well-known parable of the Sower and the Seed for instance. The apostles were confused as to what exactly was the whole meaning of that parable, so they asked Jesus to explain it to them, to which Jesus replied; "If you cannot understand this easy parable, how will you manage to understand the others, some of which are much more difficult than this one?" Furthermore, it's very possible to derive other valuable lessons from a parable, even after Jesus had explained the most basic meaning of it to His Apostles. He began by explaining that the "seeds" in the parable referred to the words of God, particularly the teachings of Our Lord Jesus Christ. The words are divine truth, & full of divine meaning but not everybody benefits equally from them. Everything depends on the attitude of the listener that was receiving those words of divine truth.

Faith can only come from God & is always a free gift. When the recipient receives this "gift" with love & devotion, he will store it safely in his heart, because he realizes what a great treasure he has just obtained. On the other hand, the person who never had any great love & devotion towards God, although he might be happy enough to have received an increase of faith, if he does not fully appreciate what a great & holy gift God has just bestowed on him, will do nothing to safeguard that faith. That is why the devil can so easily come & steal the faith from his heart. So people who never really tried to know, love & serve God, will never have much real faith either. When exposed to trials & temptations, they are the first to fall away from the church.

The next thing we must always bear in mind is the fact without God's graces, we cannot be anything more than dust. Even though God formed us in His own image & likeness & gave each of us an eternal soul, on our own, we are still nothing more than dust. Not until we realize that God lovingly created each one of us for Himself, to love us & to be loved by us in return, will all the pieces start falling into place. God wants nothing more than to lead each of us safely to heaven, the kingdom of love, where we can live with Him in eternal happiness, but that can only be accomplished when we fully cooperate with Him in our own salvation. But remember that by ourselves we can do nothing at all. We can only reach heaven with the help of God's graces & these all-powerful graces can only be obtained through the Sacraments of the Catholic Church. There is no other way to heaven.

So now back to the parable of the Sower & the Seed & where we fit into all of this. Yes, God spoke. He scattered His words/seeds throughout the world. And He created us in His own image & likeness, to love, & to be loved by us in return. And He created His very own Church of the New Testament, which functions by the graces He earned for us on the Cross. So how then, are we supposed to show our love & how do we witness to our love of God?

My friends. We can best show our love of God by our love of His Holy Church, because Jesus created His Church to be the sole & sure road to salvation. There is no other way to be saved, except by & through the Sacraments of the church. We must witness then, to our own faith in God, by adhering to teaching of the Catholic Church & receiving the Sacraments as often as possible. That much is ours to do & God will do the rest. *Father Ed*

On **September 1** in the Holy Church we celebrate the Beginning of the Ecclesiastical (Church) New Year.

The First Ecumenical Council in Nicaea in 325 decreed that the Church year should begin on September 1. The month of September was, for the Hebrews, the beginning of the civil year, the month of gathering the harvest and of the offering of thanks to God. It was on this feast that the Lord Jesus entered the synagogue in Nazareth, and opened the book to read from the Prophet Isaiah, as found in today's Liturgy Gospel reading. The month of September is also important in the history of Christianity, because Emperor Constantine the Great was victorious over Maxentius, the enemy of the Christian Faith, in September. Following this victory, Constantine granted freedom of confession to the Christian Faith throughout the Roman Empire.

*The beginning of the ecclesiastical year offers us the opportunity to reflect on the place of worship within our parish communities. It is the cycle of worship that provides the content of the ecclesiastical year. It is this content which compels us, the clergy and laity, to examine what it is that makes true worship the core of Christian, and therefore evangelical, life.*

*By entering the ecclesiastical year we discover—perhaps for the first time—the mercy and love of God revealed in the celebrations which open to us the great acts of salvation. In these celebrations, culminating in the celebration of the Divine Liturgy, the body of Christians is made into the body of Christ. In these celebrations, the Kingdom of God is being proclaimed and revealed. With the proclamation of the Gospel we are given the opportunity to receive the living Word of God which renews and illumines those seeking “to run the race that is set before us” (Heb. 12:1). By embracing this Word we are invited to draw near and receive from the table of the Kingdom the bread of immortality.*
