HOLY YEAR OF MERCY BEGINS VERY SOON

The Jubilee Year of Mercy officially begins the following week when Pope Francis opens the first of the Holy Doors at St. Peter's Basilica in Rome on December 8th. In the weeks following, more Holy Doors will be opened in Rome and in major cities around the world. Here in Winnipeg, our Metropolitan Lawrence will open the first of two Holy Doors for our Church in Manitoba. This will take place at our cathedral church of Sts. Volodymyr and Olha on December 13th. But the doors will be open for a full year so we will have many opportunities to pass through them as we better understand the grace and spiritual conversion associated with

them. The churches that have a Holy Door established permanently, have them not only closed in between Holy Years, but sealed with a wall of brick and mortar. Within that wall, is placed a box that may contain various items, but most important of all - the key to unlock the Holy Door. In the days leading up to the ceremonial opening of the Holy Door by the Pope, workers break down the wall and remove the key box and give it to the ones assisting in the opening. The picture we see here is the wall being broken down at St Peter's earlier this month in preparation for the actual opening that takes place in nine days. May we take full advantage of the Holy Year for our own personal renewal before God and the renewal of our parish and our whole Church!
