THE ENCOUNTER Coming to a parish near you!

The more ancient name for the feast of the Presentation is the “Encounter”, because of the extraordinary events that happen. Yes, we need to talk about the great significance of the Jesus - the Christ, the Son of God - willingly subjecting himself to the mosaic law that all Biblical prophecy would be fulfilled and that He in every way would be without fault. But we are also amazed that Simeon who was promised by God that he would not die before encountering the Messiah comes to the temple right at that precise time and the promise is fulfilled, because he takes Jesus into his arms and is granted a divine understanding that he holds in his arms the person who would change the world forever. At this same encounter the prophetess Anna also shows up on the scene and declares the greatness of the day! In this little encounter of a poor seemingly insignificant family and a couple of very old poor seniors in the Temple area the coming of the Christ is once again declared for all history. **Take the light of this moment to your home in a symbolic way by taking a blessed candle after the Divine Liturgy on Tuesday.**
