EASTER SUNDAY ХРИСТОС ВОСКРЕС! CHRIST IS RISEN!

27 Березня 2016 р

The completely unexpected joy of what took place "on the third day" and which is described in the Gospels, the Epistles and by other early Christian authors... has been passed on to our day. Our very traditions themselves reveal the joy and glory that we can not contain even if we tried. Jesus really is the Christ! He **IS** the Son of God, i.e. He **IS** God Who came into the world that we would have eternal life with Him forever. How do we show it? We gather in His Church, we burst out with "Christ is Risen!" We can't stop proclaiming this fundamental truth! We don't want to stop. We greet everyone with "**Christ is**

**Risen!**" «Христос Воскрес!» They answer back,

"**Indeed He is Risen!**" «Воістину Воскрес!». We dance in the street... We start every prayer & liturgy with the proclamation of the Resurrection of Jesus and therefore our own resurrection too! It's a season to enjoy in our hearts and souls and with whomever wants to join us. So.. Let's enjoy it! **HAPPY EASTER!**
