**SUNDAY OF Myrrh-Bearing Women ХРИСТОС ВОСКРЕС!**

10 Квітня 2016 р

## IN PRAISE OF WOMEN!

Today we celebrate the account in the Gospels that tells us about the women who were the first to see the empty tomb and learn about the resurrection of Jesus! Is the Lord making a point by having women be the first to learn of his resurrection? Perhaps He is. It was a woman - His mother Mary - that had the courage and faith to yes to God when she was asked to be the Mother of God. She and other women were faithful to Him throughout his life—especially His “public ministry” the last three years of His earthly sojourn. It was women that stood at foot of the cross being present as He gave up His life for the salvation of all and each one of us. Women are among the greatest saints of the Church throughout history. They have played an indispensable role throughout the history of the Church! Can we imagine the success of our parish, any parish without the amazing input of the women!? Of course not. In the new Apostolic Exhortation that Pope Francis issued this past Friday, entitled “The Joy of Love” he begins with a strong (even scathing) condemnation of those who do not understand the great value of women and of those who dare to show them disrespect! (You must read it!). Today, we honour women and thank them for all the goodness and the unique spirit that they bring into the world as Mothers, Wives, Caregivers, Sisters, Leaders and Saints and Martyrs.
