ПАРАФІЯ ПРЕСВЯТОЇ ЄВХАРИСТІЇ

9th Sunday After Pentecost/Fathers of the first 6 Councils

"Get a move on! We're burnin' daylight!"

If you were ever a classic western movie aficionado, you might remember that phrase from old John Wayne movies. He might shout that even before the sun was up in the morning, because he was concerned that the day was ahead and they had a far way to go and/or a lot to accomplish before the sun would go down at the end of that day. Well, perhaps it might be inspirational for us to hear those words as we see summer rushing past us. We can notice that the days are already getting shorter. The bright mornings and the lingering bright evenings are not lasting as long anymore. But not to worry! Winter is not that close... not yet. We still have a great deal of summer before us if we don't squander it. Let us take advantage of this summer to all sorts of great things. Yes, we can tackled those jobs around the home, the parish, the cottage. We can make road trips around the province or across the provincial or national borders. We can take long walks or bike rides. We can do all these things with family and friends. But let's appreciate God's gift of nature. Let's spend more time with our children and our parents and siblings. Summer is here for this season only. When its gone, its gone. Lets talk to each other. Let's invite each other or ask to be invited and let's do things together. Summer is a gift to be used!
