## This Week Our Clergy Go For Their Annual Retreat

Please keep them in your **prayer**. The Archeparchy is always looking for a "few good men" who come forward to go to the seminary and eventually be ordained Priests for a life-time of ministry to God's People. The Archeparchy is always open to inviting Priests from outside the province - including from Ukraine - to come serve our parishes here. We now have a few good candidates in the Seminary and we have been joined by some good priests from other places over the years. But we always want to **pray** for vocations to the priestly ministry and we want to especially **pray** for the priests that we have! Parish Priests are always in need of renewal, and strengthening. They themselves must be people of **prayer** to remain closely in tune with the Lord and His Will. **Pray** for your Priest and all the Priests of the Church, that they will always be open to God's Grace, and that they will ever become more strong, convinced and dedicated to the Church and the ministry for which they were ordained. **Pray** that they will not fall or make mistakes and, if they do, that they will get back on track and always move forward in renewal, humility and holiness.

**May they all come back renewed!**
