22 January 2017

31th Sunday after Pentecost

22 Січня 2017 р.

take note of this day, because of the value that it promotes... **UNITY!** Something that we need so much – in our world, but also in society. We also look for greater unity among Christians – that is why annually we dedicate a **Week of Prayer for Christian Unity**. We also do well when we look at the unity in our very own parish. We work on this and sometimes it seems very good. Yet we need to always be conscientious of this essential need for a **Vibrant Parish** and to work to make it better and complete! Let's think about **Unity** today!
