Ladder of Divine Ascent

"Going up?"

Today our Church gives us one of the most popular spiritual writings from one of the great spiritual Fathers of the Church - **St. John Climacus** ("of the Ladder"). In his famous book, St. John uses centuries of Christian wisdom and decades of his own faith-journey to share with the reader some tried and tested sure steps to go forward and up toward achieving a solid and saintly life. The text presents ways of how we can change ourselves - mind, body and soul - to be ever better disciples of our Lord Jesus Christ and to live a life that will make a difference to the world around us. It can be found online and or through our Bookstore. Its worth the read, but allow yourself time!

We had our **Annual Parish Meeting** last Sunday. Thank you to everyone who came out and those that prepared everything from the **reports** to the **meal** to the **set-up** and **cleanup** afterward! The "AGM" for the most part is a bit of an administrative 'formality', but it is also a 'milestone' of each passing year and a chance to plan, at least the basics, for the year to come. What may have not been adequately expressed at the AGM is the recognition that is due to all the truly hardworking, dedicated and faithful parishioners that attend our parish. They have been here for years. Striving to realize the mission of our parish to be a haven where the Lord is present and where we learn about the faith and the Gospel way and share it with everyone. **THANK YOU! GOD LOVE YOU!**
