Sunday of St. Thomas ХРИСТОС ВОСКРЕС! CHRIST IS RISEN!

23 Квітня 2017

I gotta see it for myself!

The Apostle Thomas, like all the followers of Jesus, had just experienced a few traumatic days. So when he heard reports that Jesus was alive he just wanted to see for himself. Up to that time it would have been impossible. When he got his proof however,

he didn't keep playing the "doubt card". He went out and became one of the greatest Apostles, sharing the faith all the way to India! He even died for Christ. A time comes when we must get serious about our faith and live like we truly believe!

So wadda we do?

Parishioners have asked about the tradition of standing after Easter. The short response is: yes... we stand from the feast of the Resurrection until the feast of Pentecost as a personal and visible way of declaring that we truly believe that Jesus has conquered death, sin and evil and He will do so in our lives as well. The Fathers of the first Ecumenical Council felt it important enough to decree that we should keep this practice as a witness (*Nicaea, Canon 20*). If at times someone occasionally does not feel well and needs to sit or its easier to kneel than stand, that's okay. At Pentecost we pray the "kneeling prayers" together and move into the next season of the year...
