HOLY EUCHARIST PARISH

9 April 2017

Palm Sunday

9 Квітня 2017 р.

Today we celebrate one of the most loved holidays in the Church year... **Palm** (or Willow) **Sunday**. After Christmas and Easter, its right up there with the best attended and positive-spirited parish events. Why is that? Well, we do leave with the freebie of a blessed pussy-willow branch to place in the icon corner in our homes as a sign of the Lord's blessing and protection of our house and family. This day also marks the beginning of the amazingly dramatic week of the Passion of Christ with many days of moving services and traditions that both inspire our senses and imaginations and truly heal and restore us by grace. Perhaps the underlying reason for the happiness

that we feel in our souls is what is expressed by the Ukrainian tradition on this day. One lightly taps a fellow parishioner with the willow branch and says, "Не я б'ю - верба б'є, За тиждень - Великдень" "Its not I that strikes you - it's the willow. In a week - its Easter!" The swatting with the blessed Willow is meant as a blessing. (Even farm animals were touched by the willow). It was held in prayer and brought outside to calm dangerous storms. Enjoy the tradition. Receive the blessing! Get the message!

Everyone Welcome!

*At Jerusalem Matins we stand at the tomb of Christ, and the funeral begins.
The tone of the music accentuates the mournful nature of the event.
Haunting melodies take the soul back centuries to villages in Ukraine and even further back
... to the outskirts of the holy city of Jerusalem itself.
Psalms are sung, the verses interwoven with extraordinary meditations.
The sorrow of all creation appalled at the death of the Lord pours out...
sympathy, sorrow and grief. But yet... throughout the entire service,
at first barely discernible, there is a hint,
a foretaste of the coming event.... on the third day...
"Blessed are those whose way is blameless,
who walk in the law of the LORD!
"Блаженні непорочні в путі, що ходять у Законі Господнім"*

HOW TO PREPARE AN EASTER BASKET

The Foods to Fill Your Basket With and Their Meanings

First you start with a straw basket, it doesn't have to be elaborate. Then you fill it with traditional food and cover it with a white embroidered cloth. It is customary to have a blessed candle in it to be lit at the blessing.

COVER - the embroidered cover reminds us of Christ's shroud (white linen) and of our Baptismal robe (kryszma). Being cleansed with the Baptismal waters, we celebrate the joy of New life by putting on the kryszma.

CANDLE - the candle, made of beeswax, is placed in the basket and lit during the blessing celebration. It is symbolic of Christ "the light of the world" who brought us the glorious good news of new life.

PASCHA . . . "CHRIST IS RISEN" - The large round loaf of bread, made of white flour, eggs, milk and raisins, symbolizes our Lord Himself, who is the Living Bread and who has come down from heaven to give eternal life in the Eucharist. Just as bread is the 'staff of life', Christ is our spiritual nourishment for eternal life. The word "Pascha" means "passover" - for Christ, by His Resurrection, passed over from death to life.

BABKA . . . "BLESSED MOTHER" - The Babka baked in a tall, cylindrical, sweet bread enriched with raisins, butter, eggs. Saffron is added for colouring. The Babka symbolizes the joy of the Blessed Mother as the news of Christ's Resurrection.

HORSERADISH . . . "SUFFERING" - The horseradish represents to us the Passion and Death of Christ caused by sin.

BEETS . . . "STAIN OF SIN" - The red stain of beets symbolizes the stain on our souls caused by sin. It reminds us of the bitterness of sin and the difficulties which we must undergo throughout our earthly life.

CHEESE . . . "PURITY & GOODNESS" - Cream Cheese or Cottage Cheese - symbolizes by its white colour and bland taste the purity & goodness of the soul without sin. (opposite of beet-red)

HARD-BOILED EGGS . . . "NEW LIFE" - The egg hard boiled and unshelled represents the new life of the glorious Christ, is offered by the head of the household to family members on Easter morning as a sign that we are partakers of the new life of the Risen Jesus Christ.

PYSANKY . . . "RESURRECTION" - The emergence of new life. The eggs are coloured because tradition says that Mary, the Mother of Jesus, wanted to take something to Pilate so he would not let Jesus be crucified. All she had were some eggs and when Mary saw that Jesus was condemned, she began to weep and her tears dyed the eggs into many different colours. After the Lord's Resurrection, these eggs were a sign of joy, reminding Mary that her Son lives forever.

SALT . . . "TRUTH" & "GOD'S GRACE" - symbolizes the truth of the message of Christ. Just as salt preserves food, so the teachings of Christ preserves our eternal life.

BUTTER . . . "BURIAL OINTMENT" - The butter in the form of a lamb or a cross represents the body of Christ which was anointed with spices for burial. The butter also represents the Lamb of God who was offered on the altar of the Cross for the life of the world.

MEAT . . . "JOYFUL CELEBRATION" - the meat products symbolizes the sacrificial animals of the Old Testament, foreshadowing the true sacrifice of our Saviour who became for us the Lamb of God, taking away the sins of the world. Also meat products symbolizes the fatted calf prepared for the Prodigal Son (representing fallen mankind). The traditional meats in the Easter Baskets are Ham (shynka) Sausage (kobassa) and some Bacon (Solonyna) .

CHOCOLATE AND CANDY - Children also share in the joy of the Resurrection. The Church takes ordinary food and blesses it as an aid in making us holy. God's blessing changes us from children of natural descent into sons and daughter of the Kingdom of God.

You will enjoy preparing the Easter Basket and all are encouraged to do so. The Children are especially encouraged to participate. The basket should be brought to the Church on Saturday to be blessed.

It should be noted that if you have fasted from these foods during the Great Fast, especially during Holy Week, nothing tastes better than this food on Easter morning.

NOTE: Blessed food which is not eaten should not be thrown away with rest of your garbage. It should either be buried (in the garden) or burned.
