You and your parishioners are cordially invited to a presentation on Palliative Care being offered at St. Alphonsus Hall on Tuesday, May 30th at 7:00 pm. The Catholic Health Association will be showing The Compassion Project DVD. After this, their speaker will present information on the Who, What, to Whom, Why, Where and How of Palliative Care. This information is very important for all Catholics to understand - what it is and what it is not. We need to be able to explain to others the difference between palliative care and euthanasia. We need to be knowledgeable witnesses for the sanctity of life.
