12th Sunday after Pentecost

27 Неділя 2017

«Останні теплі дні...тепер одне лиш мусимо...

прийняти все, як є..» Summer will soon be over and we return to

school and to an active parish year and to whatever the Lord has in store for us all together and for our families and for each of us individually. If we have not yet allowed ourselves a true rest, or break or time with our family... let's still do it in the 10 days ahead. At least a couple of days, at least a day... give glory to God ... Take time to walk, talk and just be together. This week we have a "1st Friday" and a "1st Saturday" of the month - a great opportunity to reconcile ourselves and consecrate ourselves and our family to the Lord and to His blessed Mother. We don't know what the future holds, but we can take advantage of this time on the eve of a new year to place ourselves in the hands of the Lord
