Why do we bless fruit on the feast of the Transfiguration of our Lord!!

On the feast of the Transfiguration the Church blesses the first-fruits of the harvest both as a giving back to the Lord what is His and has come from Him (1 Chronicles 29:14) and as a celebration of the promise of the final transfiguration of all things in Christ. The Divine Light glimpsed by the Apostles on Mount Tabor will transform all creation to its most perfect flowering and fruitfulness.

In Constantinople and the Greek world grapes were placed on a table in the center of the temple and offered and blessed at the end of the Divine Liturgy and then partaken of by the faithful. Over time this blessing was extended as other first-fruits were brought to be offered and blessed.
