OUR HOLY EUCHARIST PARISH SOBOR **TODAY!**

We hope that you have decided to participate in our parish gathering today to share ideas and hopes and decide together what we must do *immediately* for the good of our parish!

After the Divine Liturgy—come down for some **fellowship and food!** (There's enough for everyone)

We will continue with getting to know our parish better as well as getting to know what a parish is!

We will discern the **most pressing concerns** and the **long-term goals and needs...**

We will share stories and express hopes!

We are a faith family, we are but a little “portion of God's people”, but we have much to offer our own fellow parishioners... our sister parishes throughout the Archeparchy and... our neighbours around our parish!
