# ARCHBISHOPS OF WINNIPEG COLLABORATE WITH MEDICAL PROFESSIONALS' MOVEMENT TO PROTECT THE RIGHT TO CONSCIENCE AND TO PROTECT CHRISTIAN HEALTH FACILITIES

**24 SEPTEMBER START DATE!**

Our Catholic leadership in Manitoba, including our three Winnipeg Archbishops, have joined together with a wider Christian movement in reaction to the decisions of Canada's Courts and Government to usher into our society – euthanasia. "Physician-assisted suicide", more popularly referred to as "Medical Assistance in Death" (MAiD) has rapidly spread throughout the country with provincial governments having a say as to the regulation of the practice. Although provinces are seemingly denied a right to reject 'MAiD' provincial legislatures can regulate many safety measures and try to curtail negligence and abuses (which have already been reported). One thing that a province can do is allow persons and institutions that do not want to participate in the killing of the elderly, the terminally ill and depressed, etc. - to **opt out** according to their conscience.

Our provincial government has proposed a Bill to protect people of conscience. Those who do not want to participate in ANY WAY – even referral (which is participation) will have that right protected by law.

What is needed from the citizens of Manitoba is to show that they support that law – "Bill 34"! The Government needs to know that people of good will in Manitoba – regardless of their religious or political background – see the value of the law and want it in place to protect their doctors and themselves and the great Faith-based hospitals, homes and clinics that have served the people of Manitoba for years.

His Grace, Metropolitan Lawrence, together with his fellow Archbishops, asks that all the faithful be encouraged to become informed and that clergy and parishes offer occasions for the faithful to learn and to act expeditiously.

This letter writing and phone-in campaign is starting September 24<sup>th</sup> and will run until the end of October. Perhaps some may be inspired to send multiple letters to multiple people.

**This is an effort that cannot be ignored! This is a fight that cannot be lost!**

**We ask that every parishioner take action by writing to or calling to your MLA and to all the MLA's in the Manitoba Legislative Assembly.**

**Please use the letter on the following page to tell your MLA you are behind Bill 34.**
