THIS IS THE FIRST SUNDAY OF OUR NEW YEAR!

God, in Your mercy, bless our Parish. Show us the way and guide us to be a community of people that fulfils Your Holy Will at all times and in all things. We ask for inspiration from You! We want to be a parish of truth and love and boldness. We want to firm, yet welcoming. We want to be a place where the elderly, the young, families and newcomers feel at home. We truly want to be the people that You would have us be at this time at this moment in this city with the people that come to us and always, as the people we ARE! We know that this parish is ours, but it is equally the next generations and it must belong to the people that will come after us. We understand that we must share our parish NOW and strive to hand off the "best possible parish" we can to the people that will come after us. Never let the idea enter our mind that this parish is us, now. It is the Lord's. It exists only for the work of the Lord. There is no other reason for it to exist. So Lord... bless us and do with us what You will...

Every Parishioner - Plan to be at your PARISH SOBOR on Sunday, September 17 !
