1918

Before you know it, the Christmas season will be upon us and then we will be entering the year 2018... it is in 2018 that we will be marking the 100th Anniversary of our parish. What a sublime thing to ponder and to appreciate. For generations before us and for generations after us (God willing) individuals and families will have come and gone through Holy Eucharist

Parish. How many countless people were Baptized, and buried from this church and had their Marriages blessed by the many priests that served here? How many thousands of people visited this parish over the years and will continue to do so long after the youngest person now in our congregation will have made the journey home to the Lord? Holy Eucharist Parish is something much bigger than any of us and transcends any of our successes or crises or worries or mediocrities.... It is **a place where God and Man meet**. It is a place where the Lord wants to hug each and every one of us and shower us with His love and blessings! It is a place where the Lord does do that no matter how much we mess it up and frustrate His plans. The Lord has touched thousands at Holy Eucharist Parish and will continue to do so in the future! Let us contemplate this and make a celebration that will make this clear to us and to all who come to celebrate with us. Join the **100th Anniversary** team this week and let's make it happen!
