## THANKS FOR NOTHING

When Thanksgiving Day rolls around, it is often the custom for people to express what they are thankful for. Families around the dinner table will often go around offering everyone an opportunity to say what they are thankful for. It is interesting that inevitably someone will say that they aren't sure what to say... they are not sure for what they are or should be, thankful. Well, here's a few suggestions. Feel free to use any or all of them... For my life! Even with the difficult moments and dark times, I am thankful for the whole package! To be alive! To have lived! To have seen this world and had many amazing experiences with people around me... family, friends or just random people that God had me meet. Speaking of God.... Thanks to God for having chosen me among an infinite number of other possibilities to be born into life! This one obvious sign that He really does love me! He created me for all eternity and wants me to be me and to be here! And to be with Him forever!... like, yeah, forever! Thanks God! I thank God for the people in my life! My mother and father that, regardless of the circumstances, brought me into the world! I am thankful that God chose them to give me life! I am thankful that they, to the best of their ability (even while dealing with their own challenges and hangups and anxieties) raise(d) me and gave me opportunities and a great start to life and now I am thankful that I have the opportunity to build upon that and do as much or as little as I want to build my own life. I am thankful that I was born or came to live in Canada! As scary as our society can be at times I know that it can be (and will be) a lot worse. But I am thankful that at this time, I can come to Church every day, pray openly, share my faith with my family and acquaintances and perfect strangers. I can go down the street and have a cappuccino and have the money to pay for it - almost whenever I want. I can express my opinion and speak up for other people and help them in many ways. God's gift of life and salvation are really good, and I'm thankful.

# ARCHBISHOPS OF WINNIPEG COLLABORATE WITH MEDICAL PROFESSIONALS' MOVEMENT TO PROTECT THE RIGHT TO CONSCIENCE AND TO PROTECT CHRISTIAN HEALTH FACILITIES

**24 SEPTEMBER START DATE!**

Our Catholic leadership in Manitoba, including our three Winnipeg Archbishops, have joined together with a wider Christian movement in reaction to the decisions of Canada's Courts and Government to usher into our society – euthanasia. "Physician-assisted suicide", more popularly referred to as "Medical Assistance in Death" (MAiD) has rapidly spread throughout the country with provincial governments having a say as to the regulation of the practice. Although provinces are seemingly denied a right to reject 'MAiD' provincial legislatures can regulate many safety measures and try to curtail negligence and abuses (which have already been reported). One thing that a province can do is allow persons and institutions that do not want to participate in the killing of the elderly, the terminally ill and depressed, etc. - to **opt out** according to their conscience.

Our provincial government has proposed a Bill to protect people of conscience. Those who do not want to participate in ANY WAY – even referral (which is participation) will have that right protected by law.

What is needed from the citizens of Manitoba is to show that they support that law – "**Bill 34**"! The Government needs to know that people of good will in Manitoba – regardless of their religious or political background – see the value of the law and want it in place to protect their doctors and themselves and the great Faith-based hospitals, homes and clinics that have served the people of Manitoba for years.

His Grace, Metropolitan Lawrence, together with his fellow Archbishops, asks that all the faithful be encouraged to become informed and that clergy and parishes offer occasions for the faithful to learn and to act expeditiously.

This letter writing and phone-in campaign is starting September 24<sup>th</sup> and will run until the end of October. Perhaps some may be inspired to send multiple letters to multiple people.

**This is an effort that cannot be ignored! This is a fight that cannot be lost!**

**We ask that every parishioner take action by writing to or calling to your MLA and to all the MLA's in the Manitoba Legislative Assembly.**

**Please use the letter on the following page to tell your MLA you are behind Bill 34.**
