**The perfect gifts for St. Nicholas, Christmas
and New Year - not to mention: Birthdays and
just-because!**

You may recall that one of the “**priorities**” of a truly **vibrant parish** is understanding and practicing good “**stewardship**”. This means taking care of the parish and all its goals and members and assets so that they will all be functioning as best as possible. We all know that our forebears built up a great parish here in East Kildonan. In fact, in the new year, we begin celebrating a whole century of activity here in our parish. The whole purpose of that activity was for one purpose - and that was to do our part in realizing the mission of the Church. This mission, of course is the **Salvation of Souls**. Everything that we do here, all the money we make, all the buildings that we have erected and the donations that we make to maintain them and keep the parish running is toward that goal. We would make a great mistake if we allowed finances and fundraising the focus of our lives here. That which is spiritual and pastoral care and growing in faith and learning the Word of God ever more deeply - these are BY FAR the most important things. However, we know that we need a place in which to engage in this activity. We need a church for worship and spaces to hold gatherings for education and fellowship. We do a lot of volunteering, but we also need people employed to do a lot of things. We need to heat, light up and maintain our facilities. All of this does require funding and purchases and paying. As with everything we know that if it is important to us and we are convinced that we need something - we will pay for it. How do we pay for our parish? Well, yes... we volunteer as best we can and encourage others to volunteer. We make donations hopefully generous to contribute toward the services that we need for ourselves and our children and seniors. We participate in fundraisers and support fundraising activity - like dinners, sales, events, bingo, perogy-making, etc. All of this contributes toward the building up of our parish. Let us all, take time to think about what is really important in our lives. Let us contemplate if we are giving what is appropriate, let us contemplate if we can not volunteer more for our parish.
