The perfect gifts for St. Nicholas, Christmas and New Year - not to mention: Birthdays and just-because!

There are many challenges and changes in life that take us by surprise. Often they shouldn't, because if we are thinking about life and what our real purpose in life is according to the Will of God... we wouldn't be at all surprised (except by the utter love and mercy of God that only becomes more amazing the more we understand it)! Yet, when some things *do* happen and we are not ready for them, we can lose our balance and become upset and angry and lost. The danger with that is that if we don't double our efforts right away to get back on track or to get on the path that we now must at this moment in life, we risk staying off balance or staying angry or bitter for a long time. The only result with that is that we become miserable and make others around us miserable and we are hardly true messengers of the Gospel message. Yes, children or parents may disappoint us. Perhaps it is difficult to accept that the person that we married is probably never going to change into the person that we thought they could be. Loved ones may need more attention and care at

certain times in life which means that we are called upon to take things more slowly, show more understanding, be more patient. The alternative is to gripe and complain making situations that should be learning and growth moments i.e. normal life experiences (that *we really should have expected*) rather into unpleasant and embarrassing and even cruel moments. If we are not careful we may find ourselves becoming nasty people rather than the wonderful people that the Lord gives every opportunity to become through life experiences... (Want something to think about today and as we prepare for the coming of the Lord? Read **Philippians 4:4-9**)

A Note of Gratitude...
Christmas Gifts for Ukraine and Local Charities

On behalf of the Board of Directors of the Ukrainian Social Services, Manitoba Branch, I would like to express my sincere gratitude to the generous people who donated clothing for Ukraine as well as for local charities. We collected twenty, 30 kg parcels, and 13 wheelchairs, which will go to Northeastern Ukraine, near Chornobyl, and will be distributed to the needy in orphanages, nursing homes, and to the physically challenged, some of whom are blind.

I would also like to thank the following organization as well as people who contributed to the success of this effort: Holy Eucharist Parish for use of their boardroom; to administrative assistant, Carlene Deptuch, and caretaker Ryan Vellinga-Roseboom, for their supportive presence; to Peter Korbutiak, Mavis Kaluzny, Marika Barchuk, Phyllis Arnold-Luedtke, Mirosław Wapłak, Yarko Ochrymowicz, Barry Weselowski, Sylvia and Brian Goodman for organizing, sorting, packing, picking up/delivering packages and wheelchairs. This took a lot of time and effort. Thank you also to Father Michael Kwiatkowski for his kind words and pics to the Internet.

Finally, let us pray for freedom and peace for the sons and daughters of Ukraine, and throughout the world.

God bless you all!

Sincerely,
Yaroslava Demko,
President Ukrainian Social Services, Manitoba Branch

Saint Nicholas the Advent Saint because his December 6th feast day always falls in early Advent. However, Nicholas is a good Advent saint for more important reasons than the date of his special day. Whatever he did, and it is said that he did many kinds of amazing things, may not be as important as the way he did it. Nicholas became so popular because he was a faithful follower of Jesus Christ. His life clearly reflected the way each one of us is called to show God's love to others, especially those in need.
