THE IMMACULATE CONCEPTION OF THE BLESSED VIRGIN MARY - December 9

"With the Angels let us celebrate the all-glorious conception of the Mother of God" (From the Matins)

The Holy Scripture is silent about the birth and infancy of the Blessed Virgin Mary. The early Christians believed that her birth was miraculous in the similar manner as the birth of St. John the Baptist.

This pious belief became reflected in some early writings, especially in the so-called *Protoevangelium* of St. James, compiled by some unknown author in the middle of the second century.

This popular belief also inspired the introduction of a distinct feast, which in the East was called The Conception of St. Anne [Maternity of Holy Anna], when she conceived the Holy Mother of God, while in the West it was renamed – The Immaculate Conception of the Blessed Virgin Mary.

It is truly meet to bless you, O Theotokos, who are ever blessed and all blameless, and the Mother of our God. More honorable than the Cherubim, and more glorious beyond compare than the Seraphim, you who without stain didst bear God the Word, you are truly Theotokos! We magnify you!

Saint Nicholas the Advent Saint because his December 6th feast day always falls in early Advent. However, Nicholas is a good Advent saint for more important reasons than the date of his special day. Whatever he did, and it is said that he did many kinds of amazing things, may not be as important as the way he did it. Nicholas became so popular because he was a faithful follower of Jesus Christ. His life clearly reflected the way each one of us is called to show God's love to others, especially those in need.
