MY SOUL, ON WHAT DO YOU SET YOUR HOPE!?

The Great Fast - a.k.a. Lent - is a time that we truly need to reassess where we are at as People of God. It may take us a bit of time to get into the right mindset and to shake off our "needs" and "addictions" and "security blankets" and "comfort foods" and "safe places". But when it happens, then and only then, will we be able to see the truth around us. Only then will we be able to be a bit more realistic about who we really are and what our honest relationship is with God and with all those around us. That's okay. When we go on vacation, it may take us even a few days to really change modes. When we decide to get into healthy shape, there may be days, even more, of moaning and groaning and fighting serious temptation to just forget about it. That's okay. Any change for the better will be a challenge for awhile. The Apostle reminded the Romans what we must never forget—that our entire existence and our entire life is given to us from the love of God and our entire life must focus on what God wants us to do with our lives! "If we live, we live for the Lord; and if we die, we die for the Lord. So, whether we live or die, we belong to the Lord". Lent is a wonderful opportunity that only the foolish would squander—especially in our day! Look at the world around us. Serious stuff is going down, People. Are we preparing intellectually, and emotionally (even materially), but especially spiritually!? We need to get with the program... the real program... the one that calls out to us from the depth of our souls...!
