## INVITATION TAKING ADVANTAGE OF THE OPPORTUNITY HONESTY

Do we have encounters with the Lord in life? Absolutely! Like the woman at the well in today's Gospel account? We might be surprised how often we do run into the Lord! Maybe our encounters are direct or indirect. Maybe the Lord speaks to us through one of His servants. Maybe a stranger. Maybe a son, daughter or brother or sister or wife or husband or baba or dido. Maybe via something we read or see or something that comes to mind. Regardless, we need to recognize the opportunity to.... to what? To do the right thing! To be honest about who we are and where we are 'at' in life. That is the moment to be honest with the Lord and with ourselves. If we are not living the life that we want to or that we ought to... then we need to recognize that. If we are looking for something more, then we want to take advantage of the moment of insight! We must take advantage of the moment of grace that the Lord extends to us as He did to the woman at the well. We must be ready to **make** and/or **accept** changes to our life. BUT, it isn't that scary. Why? Because it is the Lord that is inviting us to change ... so we're in the best possible hands! **He is motivated only by His love for each of us!**
