*Christ, the Lover of Mankind*

10 Червня 2018 р.

**How much does He really love me!?**

The verses from the Vespers and Matins for the Feast of Christ the Lover of Mankind try, as best as possible, to describe the love that our Saviour, Jesus Christ, God the Son, has for all of us and for each of us. They tell of His **condescension** - coming down from Heaven to be with us.... His earnestness in **teaching** His Apostles so that they would understand the **Truth** and be able to lead others to the truth through the ages until we, here at Holy Eucharist Parish in Winnipeg, would know what the Lord wants us to know. He performed **miracles** and showed what real **love** and **forgiveness** means. Yes, sometimes He **admonished** those that should know better and those that **received** so much and are expected to **share** it with others. He **condemned** the sin and its destructive end, but He showed **mercy** to sinners and gave them a chance to **repent**. He told us that we would have to **suffer** to one degree or another if we were to be true followers, but He promised to be with us every step of the way and He asked us all to **walk with** each other and **support** each other. He called us **sons and daughters of God** and thus asked us to act like loving **brothers and sisters** at all times. He did all this and so much more. Then... He also allowed Himself to be killed for us as the only possible **sacrifice** for our sin. Yes, He **paid** for our **Salvation** that we would have **life everlasting**. He **rose** from the dead! He is **with us** now. Today, He **gives Himself** to us, as every day, in the gift of the **Holy Eucharist**. Oh yes, He **loves** us. He loves **you**. Today, let us **as Him** for the **courage** and **humility** to open our **hearts** to Him... **О найсвятіше Серце Ісуса, помилуй нас!**

**The One Who Loves Mankind**  
Does this look familiar? It was salvaged from the old church and was re-framed and will soon go on display.
