

12-19 Aug 2018

13th & 14th Sunday after Pentecost

12-19 Серпня 2018

There is a Ukrainian song, kind of sad, that's titled «Останні теплі дні» which basically means, "The last warm days". As we find ourselves in the last two weeks of August, we may wonder if these aren't the last warm days? After these days, the general period of summer vacation will come to a close. It will be time to get ready to go back to *sch--l* and get back to "regular", but necessary routines at home and.... yes, our Parish will start gearing up too. But that's the consolation!... We may be passing from the more easy-going summer routine, but the autumn routine with its thrilling new opportunities has a satisfaction and excitement all its

own! There are always new plans for the new year. We're determined to make the upcoming year even better than last! There will be new people among old friends with whom to collaborate. New ideas and yet familiar traditions. So, let's start getting ourselves ready for the new year. You will receive a newsletter in the mail that will let you know about some of the things that we all want to accomplish and projects and programs that we will want to start in the new parish year. Read it. Talk about it. And then contact some of the responsible people and volunteer and sign up! It is definitely not too early to take a moment to think about the Catechism program and how your children and grandchildren can be involved. How will you and your family more effectively benefit from the Parish, but also contribute in making it a better place? Things to think about and start acting upon. But, Hey.. summer is still on... so don't forget to get outside and enjoy it! Go to the Pilgrimage. Go to Folklorama. Go for a walk. God bless!

FOR A HOSPITAL VISIT, CALL THE CLERGY DIRECTLY - Please don't procrastinate. If some one is taken to hospital let your priest know. Its quite unfair to wait until the person can not communicate or receive Holy Communion. Its called Anointing of the Sick - not "last rites"

Dormition of the Mother of God - August 15—Blessing of Flowers

Why are the Flowers Blessed? Holy Tradition tells us that all the Apostles, except Holy and Glorious Apostle Thomas, were able to be in Jerusalem in order to be with The Theotokos as she died to be present at her burial. When the Apostle Thomas arrived the next day, they opened the tomb so that he could say his farewell. They found only an empty tomb filled with sweet-smelling flowers. We bless flowers and aromatic herbs in remembrance of this great sign of her holiness.

PARISHIONERS! In the interest of expanding our collective stewardship for our Parish - we are adding to our liturgical participation. We thank those who now accept taking turns **Reading, Greeting, Ushering/Collecting, assisting** at Holy Communion and **helping distribute** Holy Communion as well as the **Altar Servers** and the **Girls of Mary**. Now we are expanding to the services of **Sacristan** and **Acolyte**. If you are designated as a **SACRISTAN** (an "S" in front of your name above), **don't panic**. All it involves, for now, is that you come a bit earlier to **light the candles** before the Iconostas(2), on the Tetrapod(2), on the Prokomedynyk(2) & upon the Altar(14). After the Divine Liturgy, simply, respectfully, extinguish them all. **ACOLYTE** ("A"), for now, simply means lighting the **charcoal for the Censer** (kadylo) before the Divine Liturgy, placing it out in the Sanctuary and asking the presiding Priest if help will be needed during the Liturgy. He may ask that you remain near the Altar to pass the Kadylo when needed, and to lead the entrances (with the Gospel and with the Gifts) with a candle and open and close the "deacons' doors".
