FEAST OF CHRIST THE KING

28 жовтня 2018

What is a Parish!? What am I to **get** by *belonging* to a parish and what am I supposed to **put into** it!?

His Beatitude **Sviatoslav** initiated the whole "Vibrant Parish" movement with his pastoral letter by the same name. In it he sets forth 6 basic priorities that if worked on would make parish life and, thus our life in Christ, be alive and fulfilling and, yes, life-giving. But we have to dedicate ourselves to the success of our parish if we want it to happen. We will get a lot more out than what we put in, but we have to care and put something in or it will never flourish. Sometimes people seem to think that the church and the parish owes them something and they can sit with crossed arms and just take. Not so. The Lord (through His Church) wants to give us untold riches in the Sacraments and Salvation itself! However, He requires us to make the effort to receive what He is giving. The great Father of the Church, St. Augustine, once said, "God made us without us, but He will not save us without us". Yes, the Lord gave each of us the awesome gift of life! But with it He gave us a free will to do something with that life and by our living life to the fullest according to the Gospel and the teachings of His Church we can gain life eternal. The Church and the parish exists to provide a vehicle for us to live that life that God gives us. We built our beautiful church (building) so that we have a wonderful, inspiring place to give glory to God and to receive the Sacraments. We want it to be here long after we die so that future generations will have this same church in which to encounter God and grow in their faith. We build a wonderful parish centre where we can gather socially and which would be a source of fundraising to keep our church and all our parish programs running. It too needs to be upkept to remain effective and serve our children and "our children's children". Who are our children? All our brothers and sisters in Christ and those that come after them. Only a selfish person who does not "get" the mission of Christ's Church would think that "I don't care. I'll take care of myself and mine and when I die I couldn't care less what happens with the parish". Yes, that is the way the world might think, but for one who has been born again into Christ and raised to new life through Baptism (Rm 6:3-4)... our life is the Church and making it a place where we and everyone who comes truly meets Christ alive. If... we are not feeling this vibe, then we need to understand why! We need to talk with our parish priest and with each other and work on this so that it becomes more evident to us. But.... It will take a giving of ourselves... not only financially, but also our time and talents and **goodwill!**
