

25 November 2018

27th Sunday after Pentecost

25 Листопада 2018

So, it's only a month until Christmas

What comes to my mind? Of course, the storeowners and retailers want us to think about all the things that we can buy for everyone (and ourselves). Travel agents and hotel owners and resort operators would like us to think about winter escapes. Hey, business-is-business and business people will do what they need to for their livelihood. However, as the People of God that have embraced the Catholic Faith and strive to live by the Gospel message and fulfil the mission of Christ's Church, we have other interests too. For us it is also all about the spiritual journey of the St. Philip's Fast or Advent. It is a time of reflecting and reading and discussing to better understand more each year about the "Mystery of the Incarnation". In other words, we want to know more about why God decided to be born into our world (which He created) like one of us (also His creation), but in utter poverty. Then to live a relatively short life, only to sacrifice Himself for each and all of us. There are so many messages there that we might risk missing year after year, if we don't make the effort to look into them. We also have a great opportunity to make the journey with family and friends. Who's going to take the lead? Well, the person who is reading this bulletin right now. The first thing we need to do is make an effort... make a decision that my Christmas preparation will be so much more than shopping and food prep. It will be a spiritual journey where I WILL get to know the Lord better... I WILL get the answers I need (and if don't like the answer I will get to the bottom of it as to what is the real answer—because the Lord's answers are not only "right" they are "life-giving" and "empowering"). Yes, in our "Ukrainian Catholic tradition" it is a "fasting" period, but it is more than that—it is especially a time to grow in our Faith. Let's talk! Let's get together for Bible Study and the Faith Exploration. When we have Christmas "parties" (not our tradition), lets make them Advent events that we will also grow in our faith as we prepare to celebrate the Nativity of Jesus Christ the Son of God, our one and only Saviour. Let's get moving.... It's a long way, but there is little time...
