

THIS MORNING WE WELCOME well-known Redemptorist missionary **Fr. John Sianchuk**, CSsR to our parish! He will be leading us in our prayer at both the 8 AM and 10 AM Liturgies! One of Fr John's special ministries at present is the oversight of Winnipeg's Martyr's Shrine of Blessed Hieromartyr **Vasyl'**. He also continues to research and uncover amazing episode's from, and related to, the life of **Blessed Vasyl'**.
[Fr Michael is at the Cathedral today]

THIS WEEK: We pray for and bless our **sick!**... We pray for pure and holy and wonderful **love** for everyone! We pray for **Deacon Paisius** (aka Patrick) as he receives the Tonsure into the monastic life. We also prayerfully begin our **preparation for the Great Fast** which will soon be here. May this be a week of togetherness, mutual support as we are offered several opportunities to reach out **to the Lord** and reach **to those around us** - at least through our prayer..... [See Liturgy schedule, back page]

TOMORROW - World Day of Prayer for the Sick. February 11 is **World Day of the Sick**, started in 1992 by **Saint John Paul II** as an occasion for all of us to offer prayers for those suffering from illnesses. On this day we pray for the sick as well as for those who work very hard to alleviate the sufferings of the sick - both healthcare professionals and those that dedicate much time and love to care for their parents and other members of their family.

Tomorrow - Monday, February 11 - will be our parish prayer for all those that suffer any illness - spiritual, physical, emotional. Please come. From **8:30 AM**, there will be the opportunity for the Mystery (Sacrament) of **Penance**... the **Eucharistic** Liturgy.... **Anointing of the Sick** - including a **Sacramental Anointing** for those who would like. Come pray for yourself, for loved ones and for all those who bear illnesses in our parish and throughout the world!

Some excerpts from Pope Francis' 2019 message for World Day of the Sick...

Dear Brothers and Sisters, "You received without payment; give without payment" (Mt 10:8)....the Church – as a Mother to all her children, especially the infirm – reminds us that **generous gestures** like that of the Good Samaritan **are the most credible means of Evangelization**. Caring for the sick requires professionalism, tenderness, straightforward and simple gestures freely given, like a caress that makes others feel loved. **Life is a gift from God**....because it is a gift, human life cannot be reduced to a personal possession or private property, especially in the light of medical and biotechnological advances that could tempt us to manipulate the "tree of life" (cf. Gen 3:24).... Each of us is **poor, needy and destitute**. When we are born, we require the care of our parents to survive, and at every stage of life **we remain in some way dependent on the help of others**. ...we should not fear, then, to acknowledge those limitations... "Mother Teresa,...was a generous dispenser of divine mercy, making herself available for everyone through her welcome and defence of human life, of those unborn and those abandoned and discarded... She bowed down before those who were spent, left to die on the side of the road, **seeing in them their God-given dignity**; she made her voice heard before the powers of this world, so that they might recognize their guilt for the crime...of poverty they created. ... Continue to be a sign of the Church's presence in a secularized world. ... health is relational, **dependent on interaction with others**, and requiring **trust, friendship and solidarity**. ... live as brothers and sisters **attentive to each other's needs**, to give from a generous heart, and to learn the joy of selfless service to others.... FRANCIS
