

WE ENTER THE 3RD WEEK OF THE GREAT FAST! If you are presently or ever were a video game player... making it to week 3 may remind you of the excitement of making it to the “next level”! Okay, I’ll fess up here... I’m not particularly proud of it, but back in university days I was introduced to the earlier version of “Prince of Persia”, a computer game on which I spent more than a few hours trying to complete. There were a lot of tasks and “levels” that one had to get through. Whenever you made it (finally made it!) to the **next level** (there were 12) you experienced a sense of joy or at least profound relief (*especially if it took a long time to master the skills and tricks needed to complete a certain level*). Well, our spiritual journey can be somewhat similar. Sometimes, it takes us a long time to understand what the “game” is all about (!) and then we need to understand what the skills are that we need, and slowly learn them! We have to remember at the same time that if we aren’t careful we will fall into the same trap over and over again until we learn to approach the problem in a different way. But we have to *want* to get to the next level and *not* give up. We will see progress in our journey, which in itself will be an encouragement to tackle the next level. Although one might learn something about life from a game,* one *certainly* will learn from the Gospel, the experiences of the saints and the teaching of the Church. Its all been experienced and taught before! We only need to seek guidance. If we open our minds and look into the spiritual journey of a follower of Christ, we may be surprised at how many Catholic answers and directives there already are available to help us through life. The amazing thing is that we not only have the living Word of God in the Bible that already shows us the way... we also have the teachings of Christ’s Church based on the Bible to understand the present world. We also have thousands of saints that have shared their experience of striving for a full life in Christ. We need only read their “manuals”. But we also have something more that is truly amazing - we have the **Lord Himself** making the journey with each of us and showing us how to get to the “next level”. We need merely be attentive and trust in Him. We will go far!

(*DISCLAIMER: THERE ARE A LOT OF VERY UNHEALTHY GAMES OUT THERE THAT ARE NOT ONLY ADDICTIVE, BUT PROMOTE VERY NON-CHRISTIAN MESSAGES OF VIOLENCE, DISRESPECT, THE OCCULT AND IMMORALITY)

GREAT AND HOLY FAST

1. Apostolic Times For the Apostles and First Christians, the day of the Jewish Pasch was a sorrowful day commemorating the death of Jesus Christ, therefore, they celebrated this day with prayer, contrition and fasting. This association of the Pasch with fasting lasted a long time. Even in the second century one may find the word "Pasch" used to denote "fasting". This practice seems to echo the time when the celebration of the death and resurrection of Jesus Christ took place on one and the same day. This association of the sad event of Christ's death with the joyful event of His resurrection has left its traces in our Great Saturday services in which the Lenten service is merged with the resurrection service.

2. The Paschal Fast and the Catechumenate The third and fourth centuries witnessed the greatest flourishing of the catechumenate. Catechumens were those who were being prepared for the sacrament of Baptism.

This preparation extended over a period of three years and terminated solemnly during the Great Fast. The concluding acts of this preparation were: the giving of a name to the catechumen at the beginning of the Great Fast, an exorcism of evil spirits which took place daily throughout the whole Lenten period, the last instructions in the truths of the holy faith, the final examination and then, the Baptism itself which took place on Great Saturday. Some of these acts were incorporated into the daily service. To become a Christian and a member of the Church through Baptism was regarded as an important event in the life of the newly baptized and in the life of the Church. For this reason, this joyful event was usually celebrated on the great feasts of the Pasch (Resurrection), Pentecost or the Theophany. In the third century, the rite of baptism was associated above all with the feast of the Pasch. The catechumens prepared themselves for baptism by fasting and prayer. Under the influence of the catechumenate the pre-paschal fast was extended to forty days.

As time went on, the rest of the faithful also began to observe this fast together with the catechumens. St. Justin the Martyr (+167) speaks about this custom of the faithful observing the fast together with the catechumens. He says that those who embraced the Christian faith "were taught to implore God by fasting and prayer for the forgiveness of past sins, and we pray and fast together with them" (Apol. 1,61)

3. The Great Fast – An Endeavor of Soul and Body. The institution of the catechumenate contributed not only to the extension of the Great Fast to forty days, but also to the fact that, in time, all the faithful adopted this fast so that it became the pre-paschal fast for the whole Church. Later, when the institution of the catechumenate lost some of its meaning, the Forty Days Fast became an independent ritual. Today, it is observed by the faithful as a time for special prayer, fasting and penance, and as a spiritual preparation for the feast of the Pasch (Resurrection). This attitude of the Church finds its most beautiful expression in our Lenten services, customs and practices. We shall mention certain ones here.

NOW HEAR THIS !!! This is big news!

The Parish 100 Year Historical Book Committee would like to have many Parish families (preferably ALL!) provide historical write-ups for the commemorative book now being composed. The Committee reviewed the information shared with you in recent Parish Bulletins. They unanimously agreed to make significant changes. It is now suggested that **your family** write a brief 'biography' that would be one (but only one) page - which can be up to 500 words without a photo or if you want to add a photo (and who doesn't!?) the text would

up to 400 words. You get all this for – *are you sitting down!?* - for only \$10.00!! If your total write-up is more than one page (7 x 9 inches) a donation would be appreciated to help cover book printing costs. And get this - to give you more time to do a write-up, the deadline has been extended to the end of April! To help you get started - here are some suggestions you might consider for your family write-up.... **names** of family members... names of extended family... roots! i.e. where the family pioneers **emigrated** from and when... where they first **settled** in Canada... **what they did**... Settlement situation... where **you** grew up... **when did your family join Holy Eucharist**... **involvement** in our Parish... **career** highlights... **accomplishments** that you are proud of.... family **information** you would like to share.... a **recent** family **photo**... an **early** family **photo**.... etc. And that's not all! If you would like some help to do your family write-up, members of our Committee are offering to sit down with you and do a draft write-up for you. You gotta admit, with these changes this is a golden opportunity for you to have your family in this Parish 100 Anniversary Historical book. This is a chance to have a published keep-sake for yourself, your whole family, your grandchildren and our parishioners for years to come!

(the text on this page, by the way, is 340 words...)

So... what are YOU going to write...!?
