

With all the things that we do during this Lent - our prayer, our fasting, our almsgiving, our meditation, personal penances, preparing for (and making) a good Confession, our preparation for Easter and our participation in all the profound Holy Week services, etc. - we have the unique privilege of doing it all in the context of the hundred years that our parish is celebrating. How so? We are the **heirs of a century of the faith**, dedication, hardships, joys, blood, sweat and tears of hundreds of individuals and families. How many hours have people spent on their knees praying fervently in this and the old church? Candles lit in hope and trust in the Lord's mercy and the intercession of the Mother of God and the many saints whose images adorn our walls and iconostas. How many people joyfully witnessed the baptism of a new child of God? How many people watched in happiness as a young couple stood before God and His People to pledge their love for each other at their wedding and receive the blessing of Christ's priest? How many healing Confessions? How many conversions? How many tearfully bid farewell to loved ones at funerals and commended them to the Lord, trusting in His loving mercy, while contemplating their own mortality? How many Lenten missions were preached here? How many Easters were celebrated? A hundred years of grace multiplied by the hundreds of people that were parishioners and multiplied by the thousands of people that became connected with the parish as visitors or relatives of parishioners came in from time to time. THEN... from the other side... as we experience the potential power of Lent, we also may do so in the context of our parish centenary, but looking **forward**. What foundation will we leave for the next generation and new members to build more upon. We always want to leave the place (or, ultimately this life) in a better state than we found it. Besides getting out of the parish what I need or think I need, what will I have contributed that will ensure that the parish will for another century or two? My life in the parish is really my life with Christ and my living out my role in His Church on a local level. Will I be helping to make the parish a stronger, safer place for future parishioners and my fellow parishioners today? The Church is the living body of Christ. This my, parish is my direct, personal connection with that body of Christ. Lent and my life in the parish is a key to being the best person that the Lord wants me to be. He will give me the grace and insights to become this person - *if I want Him to and if I work with Him*.

VIBRANT PARISH PRAYER: O God, Creator of Heaven and Earth! Because of your indescribable love for us, you sent your Only-Begotten Son, Our Lord and Saviour, Jesus Christ - The Way, The Truth, and The Life - and our Salvation. In His name, we turn to You. Strengthen our hearts and minds in Christian love and in unity of purpose as we strive to build a Vibrant Parish. Give us the grace to model our lives according to the Word of God. Instill in us the desire to pray and to celebrate the Holy Mysteries as one Christian Family in our Parish Community. Inspire us to follow Your great command to be a servant to the less fortunate among us! Grant this, O Lord, through the mercies and love for mankind of Your Only-Begotten Son with whom You are blessed, together with Your All-Holy, Good and Life-Giving Spirit, now and forever and ever. Amen!

**LET'S MAKE THIS A CENTENNIAL CELEBRATION
WHERE EVERYONE IS REMEMBERED,
BECAUSE... EVERYONE GETS INVOLVED!**

Your family and the members of your organization should be remembered, so please - double-check that they are in some way.

There are **504 hours left!** in Lent - the Great Fast! How will we spend them wisely? Say... we spend **168** hours sleeping/resting; **60** hours doing essential shopping, house cleaning, haircut, etc.; **40** hours of meal *fellowship* with family or others; **32** hours attending the basic daily schedule of liturgical services available in our parish... that leaves us with some **204** hours (*more or less*) to engage in **volunteering** at **our parish** and other institutions, **visiting** the sick and shut-ins, engaging in private **prayer** and Catholic **spiritual reading**, attending Lenten **services, talks, retreats** at other parishes, **helping** our parish centennial committees to realize the great projects in the works, **Evangelizing** our neighbours and friends by talking about what we believe, etc.

THIS IS AN AMAZING OPPORTUNITY

The Parish 100 Year Historical Book Committee would like to have Parish families provide brief historical write-ups for the commemorative book now moving toward completion. **MANY FAMILIES HAVE SUBMITTED OR CONFIRMED THAT THEY WILL SUBMIT A BRIEF HISTORY. DON'T MISS THIS TRULY AMAZING OPPORTUNITY!** The Book Committee is suggesting that **your family** or just **You** write a brief 'biography' that would be one (7 x 9 inches) page - which can be up to 500 words without a photo or if you want to add a photo (and who doesn't!?) the text would add up to 400 words. You get all this for - *are you sitting down!?* - for only \$10.00! (If your total write-up is more than one page a donation would be appreciated to help cover book printing costs.) And get this - to give you more time to do a write-up, the deadline has been extended to the end of April! At a loss as to how to get started? - here are some suggestions you might consider for your family write-up.... **names** of family members... names of extended family... roots! i.e. where the family pioneers **emigrated** from and when... where they first **settled** in Canada... **what they did**... Settlement situation... where **you** grew up... **when did your family join Holy Eucharist**... **involvement** in our Parish... **career** highlights... **accomplishments** that you are proud of.... family **information** you would like to share.... a **recent** family **photo**... an **early** family **photo**.... etc. And that's not all! If you would like some help to do your family write-up,

So... what are **YOU** going to write...!?

If you
don't write it down, will someone
remember how it really was?

members of our Committee are offering to sit down with you and advise or even do a draft write-up for you. You gotta admit, this is a golden opportunity for you to have your family in this Parish 100 Anniversary Historical book. This is a chance to have a published keep-sake for yourself, your whole family, your grandchildren and our parishioners for years to come! Contact Book Committee Chair **Ernie Shume** today and he will redirect you to a volunteer (204-237-9394) ejshume@mymts.net

The People of Ukraine will be holding an election for their President **this Sunday - March 31**. The President may be chosen on that day or the decision may carry over to a second runoff election (if no candidate receives an absolute majority) on Palm Sunday April 21. There are some 39 candidates [Hey, Ukrainians are passionate about their politics and about their version of what is best. (ever attend a parish AGM?) There were actually some 52 candidates at one time, but some were weeded out. Some candidates are probably sponsored 'trolls' just hoping to take votes away from other more serious candidates. Some of the candidates might be oligarch millionaires that for the registration price of about \$100,000 can tell their grandchildren that they were "Presidential Candidates" back in 2019.) However, some of the candidates are well-known political figures that rose during the Orange Revolution of 2004 and have shown their interest in the political future of the country. They all have stories of glory and fraud surrounding them. The "fake news" and [Russian influence](#) muddies the waters so much so that it is hard to determine what is true and what is not. Yet... even with all the confusion and alleged dirt (*real or otherwise*) Ukrainians, like voters anywhere in the world, will have to decide what is best for their country at this time and which leader will uphold the values that they know are right for their country regardless of their background and imperfections. We pray that they choose rightly.
