EASTER SUNDAY

21 квітня 2019

Today we stand at the 'empty tomb' of Jesus. We stand in awe and silence. But not perplexed and even afraid as did the women and Apostles that first came to the tomb of Jesus on the third day. We have the benefit of knowing how the story turned out and... continues to develop up to our day! Jesus is truly risen as He promised! He is with us!

Hey you! Let's, you and I, allow ourselves today to be taken over by the joy and happiness and relief and confidence that this feast and the whole Easter Season suggests and even demands! **Christ is Risen! Indeed He is Risen!** And if that is so, what need we fear!? **Death?** It has no hold on us, we will rise again as the Lord promised and... proved to us. **Sin?** The Lord forgives all who turn to Him and seek His forgiveness. **Suffering?** The Lord Who suffered with us and for us, is with us every inch of the way and He never allows us more than we can handle. **Loneliness?** The Lord has not left us and will never leave us. He is risen and is always in our midst.

Today, let us truly allow ourselves to be happy. As best we can, let us share that happiness with all those around us. Oh we all encounter or know (or live with) people that insist on being miserable and critical and cynical. That's on them. Let us share our hope and happiness with them and if they won't have it (*Mt 11:17; 10:14*), then let us go out to be with those who understand what today is all about. We have fasted faithfully all Lent and we have journeyed with the Church over the last 40+ days - especially through Passion Week - and today we want to exalt in the joy of the Lord! and the Lord invites us to do so! and we have every right and need to do so! Lord move our hearts and the hearts of ALL those in our life! Fill us with a supernatural joy that each and everyone of us will know that You are risen and with us and offering us untold grace for the taking!

Christ is Risen! Indeed He is Risen!

Христос воскрес! Воістину воскрес!

THIS IS AN AMAZING OPPORTUNITY

The Parish 100 Year Historical Book Committee would like to have Parish families provide brief historical write-ups for the commemorative book now moving toward completion. *MANY FAMILIES HAVE SUBMITTED OR CONFIRMED THAT THEY WILL SUBMIT A BRIEF HISTORY. DON'T MISS THIS TRULY AMAZING OPPORTUNITY!* The Book Committee is suggesting that **your family** or just **You** write a brief 'biography' that would be one (7 x 9 inches) page - which can be up to 500 words without a photo or if you want to add a photo (and who doesn't!?) the text would add up to 400 words. You get all this for - *are you sitting down!?* - for only \$10.00!

So... what are YOU going to write...!?

(If your total write-up is more than one page a donation would be appreciated to help cover book printing costs.) And get this - to give you more time to do a write-up, the deadline has been extended to the end of April! At a loss as to how to get started? - here are some suggestions you might consider for your family write-up.... **names** of family members... names of extended family... roots! i.e. where the family pioneers **emigrated** from and when... where they first **settled** in Canada... **what they did**... Settlement situation... where **you** grew up... **when did your family join Holy Eucharist**... **involvement** in our Parish... **career** highlights... **accomplishments** that you are proud of.... family **information** you would like to share.... a **recent** family **photo**... an **early** family **photo**.... etc. And that's not all! If you would like some help to do your family write-up, members of our Committee are offering to sit down with you and advise or even do a draft write-up for you. You gotta admit, this is a golden opportunity for you to have your family in this Parish 100 Anniversary Historical book. This is a chance to have a published keep-sake for yourself, your whole family, your grandchildren and our parishioners for years to come! Contact Book Committee Chair **Ernie Shume** today and he will redirect you to a volunteer (204-237-9394)

ernieshume@gmail.com

(BTW - the text on this page is 355 words...)

If you
don't write it down, will someone
remember how it really was?

Ernie Shume and the Centenary Book Team work on a list of all parishioners from 1918 till present. The plan is to publish this list in the centenary book.

Two draft copies of the list are available by the church entry and another copy is in the auditorium below the church.

Thank you to all parishioners who made corrections already. This is work in progress and the list will be periodically reviewed and updated until it is published later this summer.

If you have not done so yet please take your time to review your and your family names to make sure that your information is presented in the way you want it to be presented.

**2019 PASTORAL LETTER OF THE UKRAINIAN CATHOLIC BISHOPS OF CANADA
ON THE OCCASION OF THE FEAST OF THE RESURRECTION OF OUR LORD**

Christ is Risen! Indeed He is Risen!

Dear Brothers and Sisters in Christ,

One day during this past month of March, many of us opened the newspaper and saw a disturbing headline: "*City of Montreal to pull Crucifix from Council Chamber!*" The article was distributed by the official agency, *The Canadian Press*, and as such was seen across Canada. The article explained that the city council had decided that after 80 years, it was no longer desirable to have the crucifix hang in the chambers of the city hall. This, the article pointed out, was part of the movement of secularism in the province of Quebec.

This news item was disturbing on its own, but its impact was particularly felt as it came during the time of the Lenten Fast, when Christians around the world were preparing themselves to mark the crucifixion, death, burial and resurrection of Our Lord and Saviour Jesus Christ. Even though most city halls across Canada do not have a crucifix hanging on the wall, and likely never did, there was a certain comfort for Christians to know that in a province that had such a strong Catholic history, the respect and tradition of this important symbol of faith was still found in the heart of city life.

The crucifix, even in its simplest form, speaks eloquently of the great gift of Jesus, the Son of God for all humanity. It relays this message of salvation when it is worn around the neck. It relays this same message of salvation when it stands on the top of a church dome. It speaks not only of suffering and death, but at the same time of resurrection and eternal life.

In our churches we find a special place for the cross of Christ especially on Good Friday, near the symbolic grave that is set up in the heart of the church. The cross stands over the grave of Jesus and reminds us of his great sufferings.

On Easter Sunday morning we again find the empty cross in the heart of the church, as we celebrate the resurrection of Christ. It tells us not only of the triumph of Jesus over suffering and death, but of his glorious rising from the dead. And most importantly it reminds us of the Good News that we too are challenged to suffer and die with Jesus, so that we too will rise to eternal life after our death and burial.

Dear Brothers and Sisters in Christ, The decision to have a crucifix in public places of our communities may not be a decision that will be up to us to make. However, each of us can make the decision to have a crucifix hang on the walls of our homes.

When people walk into our houses, what kind of homes do they find? What does the interior appearance of our homes say about the people who live there? They may see how well our homes are decorated and arranged, and compliment us on our taste. Or they may see dusty cupboards and dirty dishes, causing them to think poorly of our personal hygiene. But when people walk into our homes can they tell that they are in the home of a believer in Jesus Christ? Do they feel a sense of religious faith when they enter our homes, by the appearance of a crucifix, or holy icons, or other religious symbols?

As we prepare for these important days of Good Friday, Holy Saturday and Easter Sunday, let us not get caught up only in the decorations associated with these days, that include various figures of the holy cross. Rather, let us make sure we use the holy cross and other religious figures as symbols of our faith in Jesus Christ.

Strengthened by the cross of Jesus and his life-giving resurrection, we send these Paschal greetings to all our faithful in Canada, in Ukraine and throughout the world. We send these Paschal greetings to the sick and the elderly. We send these Paschal greetings to the marginalized and the forgotten. We send these Paschal greetings to those struggling with their faith, those living in doubt and fear. Live in hope, do not be afraid, for Christ is Risen!

Come all you faithful, and let us bow to the holy resurrection of Christ, since through the cross, joy has come to all the world. Ever praising the Lord, let us extol his resurrection, since He, having endured the crucifixion, has destroyed Death by his death! [Paschal Matins]

Christ is Risen! Indeed He is Risen!

Sincerely Yours in Christ,

+ Metropolitan **Lawrence** Huculak, OSBM and all the Bishops...
