Our Mother of Perpetual Help

7 липня 2019

Today we celebrate the 2nd annual Feast of Our Lady of Perpetual Help in the Ukrainian Catholic Church throughout the world! We honour the Mother of Jesus who is "blessed among all women" for her extraordinary calling to be the one who was to bring the Messiah, the Lord and Saviour into the world - which we give the righteous title of "Mother of God". Her son Jesus was far more than what the People of God were hoping for! He was not only the Messiah... the Anointed One... the great leader and King... Jesus was not only human, but divine! He was the only begotten Son of God come to earth to be among His People. He not only taught us the way and restored our favour with God... He... (are you sitting down?)... He died for us! He gave His life that we would live eternally! This God of ours is a God Who loves! Today we honour the Mother of God through one of the most famous images in the world - the icon of Our Lady of Perpetual Help. This icon is enshrined at the Redemptorist Fathers' Church in Rome. But copies of it are found all over the world among people of various nationalities, races and denominations. Why? Yes, it is an image through which many prayers have been answered and many documented miracles have occurred. But perhaps the biggest reason is that the artist (some say copied a painting by St Luke) really captured in the face of Mary a mother who is truly strong, bold, tender and loving all at the same time. You see in the face the woman that confidently asked her son to perform His first miracle by changing water into wine, and the suffering yet faithful mother that stood at the foot of the cross as her Son was heartlessly put to death. She is always the Mother that calls us to her Son Jesus - the one and only saviour that we too would know salvation and the life eternal that He grants to each of us.

We are unexpectedly blessed with a very special copy of the famous Icon of Our Lady of Perpetual help. It is an icon that has been in the **Bendera** family for several generations and they have loaned it to our parish for this feast. It was obtained by immigrants Cornelius and Tekla Bendera (Thalberg), who passed it down to Michael & Anne Bendera who were our long time parishioners. They in turn passed it to Daughter Barbara who also passes it to her daughter (in B.C.). They have agreed to lend it to our parish that we would have a beautiful icon for veneration on this special feast day!
