

As we begin a new Church year, a **new Parish year**... we also want to conclude our first Century of Parish life in the best way possible. We still have two major projects to realize.... 1. is a event for reflection and spiritual renewal, perhaps a **Parish retreat/mission**.... And 2. the publication of our **Centenary Book**. Perhaps we will be able to combine the two in the very near future (end of this month !?). However, one practical aspect is that we need to complete the BOOK! The Book Committee under the very capable directorship of Ernie Shume is ready to put an "Amen" to it, but... there still is a bit more that needs to be needs to be done...

Holy Eucharist Parish 100 Anniversary Historical Book Update

Our Book Committee is almost finished writing all the articles and scanning all the photos for the book. We have already sent most of our work to the publisher. There are several parts in this book: 1. History of our parish from 1918 to the present. 2. Historical articles about all our parish organizations and groups. 3. Family and priest biographies. 4. A list of over a thousand names of families/individuals since our parish was founded in 1918. 5. A 100 year timeline of parish happenings along with local and world happenings. 6. Lots of photos throughout the book. 7. Colourful congratulatory ads. 8. And more. Thank you to all who shared their family history in their bios. This adds a lot to our book.

Our committee will soon be able to determine how many pages the book will have, see the publishing costs, decide on the number of copies to order and set a price per book. Our goal is to have the book printed and in our hands before the first snowfall.
