## READY FOR THE JOURNEY!?

Found your old hiking boots? [Put on some new strong laces and added some new long-distance insoles?] How about your backpack? [Got some sources of sustenance... spiritual food and drink? Did you foresee typical challenges and needs (injury bandages, "insect" repellent, protection to deal with extreme heat or cold)?] The good news is that you don't have to make the long trek alone. We all want to travel with you and we all want you to travel with us! It makes it so much more enjoyable when a large group travels

together... and it is safer! If we stick together and watch out for each other (at least out of the corner of our eye), the likelihood of us all making it to the goal - and in good health and good spirits - increases a hundredfold! So let's do it! Let's make the Lenten Journey as a parish. We will all "walk" at our own pace and sometimes someone will tarry longer at one milestone along the way and others will want to almost sprint onward. That's fine. We just need to meet up from time to time and take inventory and be sure everyone is doing well. So... those who would like, are welcome to come **this evening at 6:30 pm** for a forgiveness service and to talk a bit about how we can make the trip prayerfully together. After today, we will meet at the Sunday "oases", Friday evening programs and even every day at the Liturgies!

**This is going to be exciting!**

*The first great and holy leaders of the Church (that we often refer to as "the Fathers") saw the most effective Lenten experience as being one of **PRAYER, FASTING** and **ALMSGIVING**. Among those "in need" that you may want to contribute toward... consider your own parish. We do outreach to the needy and we too need your generous support.*
