

15 March 2020

3rd Sunday of Lent—**VENERATION OF THE HOLY CROSS**

15 Березня 2020

Пресвята Богородице, спаси нас! Most Holy Mother of God, save us!

The world is gripped by concern and even panic over the latest extraordinary virus to show itself in recent times. First was SARS in 2003, H1N1 in 2009 and now COVID-19. This past Friday Metropolitan Lawrence issued a statement of protocols as to how the Archeparchy of Winnipeg will respond to the pandemic - see the text in this bulletin (*His directives may change soon as the situation develops, so please check the Archeparchial website and check with our parish office*). There are those that suggest we should take the most extreme measures. And... There are those that say much of the hype is agenda-driven fearmongering. The bottom line is that we will not know the whole story for a long time to come, but in the mean time - we do know that **the virus is real** and there are many things that we can and should do to keep

ourselves, our family members and our fellow parishioners **safe**. Yes, we first and foremost want to remain steadfast in our **faith**. We place our trust in what the Lord wills for us and for those around us. We also need to **wake up!** spiritually and socially. Let us **not** take this threat lightly. We want to renew basic hygiene (wash, wash, wash your hands FREQUENTLY! "before and after" encounters with people, eating, going anywhere) (STOP touching your face!) (STOP touching anyone unnecessarily. You'll survive for a few weeks.) (If you are feeling ill, STAY HOME and call your doctor.) (Concerned about receiving our Lord in Holy Communion? Then refrain from doing so until you feel comfortable. And when you do so, open your mouth wide and pause a second until the process is complete.) We want to be concerned and cautious, but let our Faith spare us from giving in to hysteria. One day at a time with our Lord... pray for each other and make your peace with your Lord. That is what Lent is all about.

Letter from His Grace, Metropolitan Lawrence, Archbishop of Winnipeg regarding COVID-19:

As you are well aware, the world watches with much fear, anxiety and concern the spreading of COVID-19 (also known as coronavirus). It has already affected many countries which struggle to control the virus and heal the afflicted. And while we mourn the loss of many lives and extend our sympathies to the bereaving families, we remain steadfast in our hope and unshaken in our faith in the Lord our God, Healer of the infirm and Provider of all good things.

In addition to our continued prayers to console the afflicted and curb the virus, we should also contribute to the general efforts by closely following these recommendations:

- 1) If you notice any flu-like symptoms, please restrict your interaction with other people to a minimum, refrain from attending church services and contact your doctor at the earliest convenience.
- 2) While in church (especially during the time of the Lenten Fast), concentrate more on spiritual union with the Lord. Venerate the icons, holy relics and objects of piety, but avoid touching them physically (for example, kissing).
- 3) Make sure you do not touch the communion spoon when receiving Holy Communion. Rather, wait patiently while the priest drops the Precious Body and Blood of Jesus Christ into your mouth.
- 4) Observe the common rules of personal hygiene, especially washing your hands frequently after being in public spaces.
- 5) Do not spread information that may cause further anxiety, worry and panic.

With prayers for your health, physical and spiritual well-being during this Lenten season,
Most Rev. Lawrence Huculak OSBM (Full letter at archeparchy.ca)
