Mother's Day has always been a special day to celebrate and show our Mother's just how much we love them, and appreciate everything they do for us through the year... through out our lives really! However, 2020 has really thrown us for a loop and now to show our love and caring we need to stay away from our Mothers. So we need to come up with some new ways to celebrate our Mothers. Here are a few examples.

Hymn to the Theotokos:

It is truly proper to glorify you, O

Theotokos, the ever blessed, immaculate, and the Mother of our God. More honorable than the Cherubim, and beyond compare more glorious than the Seraphim, who a virgin gave birth to God the

Word. You truly the Theotokos, we

will be so impressed.

Make Her a Customized Gift Basket

You can treat Mom to all her favorite things - like snacks, lotions, perfumes, music CDs – she will have hours of fun going through the whole basket.

Make a Donation on Her Behalf

Does Mom have a special cause that she feels strongly about, maybe the **Church**? There are lots of worthy organizations that need financial donations especially during this time of Pandemic.

Make Mom a Video

This one takes a little extra planning, but it would be an amazing way to make her feel special. Have each child say a few words about Mom add some pictures and music, and get it ready for the big day. Send it to her via Facebook messenger, or email and let her know when to open it.

Give Mom a Call or Video Chat

Sometimes the most natural thing to do is just pick up the phone and call her...let everyone in the family have a turn telling Mom just how special she is...and how much you miss her during these times. If Mom is computer savvy well maybe get the whole family on a "Zoom" conference call and she will be able to not only hear everyone but see them too.

What ever you do just remember to tell her you love her!

Mother's Day in Ukraine

In Ukraine, the celebration of Mother's Day was established by presidential decree of May 10, 1999. Despite the fact that in Ukraine the date of this holiday is different each year, in 2018 the date coincides with the international one. May 13 Mother's Day is celebrated by 24 countries. In recent years, more and more Ukrainians are planning this day in advance, trying to congratulate their loved one in a special way, not like on other days of the year.

Mother's Day Traditions

Mother's Day is a good holiday when you can remind the most dear person that you love, respect and value her. On Mother's Day, children give their mothers flowers, holiday cards, make gifts with their own hands, devote songs and poems to their mothers. If we talk about adult children, it is customary to give gifts, and most importantly, they should be from the heart and with good intentions. In the USA and Australia, there is a tradition of wearing a carnation flower on clothes that day. Moreover, color matters, as a colored carnation suggests that a person's mother is alive, and white flowers pin to clothes in memory of departed mothers. Also on this day they organize various concerts, flash mobs and charity events in nursing homes.

Lord God, You chose the Most Holy Virgin Mary as the Mother of Your Son, Bless all mothers, grant them health and fill them with peace, tranquility and happiness, but especially with a sincere desire to worthily fulfill their motherly vocation and Your will and commandments at all times. After a long earthly life, welcome them into blessed life eternal. We ask of You that You would make it so that all mankind would take pride in the holiness of their mothers. Help them to raise their children for Your greater glory and for the good of the Church, through Christ our Lord. Amen.

Боже, Ти вибрав Пресвяту Діву Марію Матір'ю Свого Сина; благослови всіх матерів, обдаруй їх здоров'ям, наповни їх миром, спокоєм і радістю, а головне - щирим бажанням і прагненням гідно виконувати це своє материнське покликання та, загалом, Твою волю і заповіді, а після довгого життя земного приведи до блаженного життя вічного. Просимо Тебе: вчини так, щоб людський рід пишався святістю своїх матерів. Допоможи їм виховати своїх дітей на славу Тобі і для добра Церкви, через Ісуса Христа, Господа нашого.
Амінь.
