Unfortunately as long as Manitoba is in the special "**Red Zone**" lockdown, we will be able to participate at services online - via internet livestreaming

This may last up to December 12th, or...

But let's participate online! There are daily prayers and the Divine Liturgy. There will be other "programs". Let's stay proactive and keep our parish going. Support your parish not only by regular donations, but by volunteering for phone-contact efforts and other requests that will arise.

The Pandemic **will pass**. It may take a while and it may be difficult, but this is our time to **shine** for the Lord and His People - i.e. our fellow parishioners.

«...збереження пам'яті про жертв Голодомору 1932-1933 років — це святий обов'язок кожного українця і християнина.» «The preservation of the memory of the **Holodomor 1932-1933** is a sacred obligation of every Ukrainian, every Christian» - His Beatitude **Sviatoslav**. Canada has chosen this date to remember **TODAY** the millions of people - many mothers and children and elderly - that were left to starve to death in their homes and in the fields and in the streets. No one could help, no one was allowed to help. This was a corrupt and heartless government that was doing what they considered to be best for the people, for the country. If innocent people had to die in a terrible way and under brutal enforcement, so be it! If we do not only remember the tragic genocide, but also learn the lessons and decide to never let it happen ever again to anyone!.... we are doomed to see it happen again in a different, more clever way, but with the same result. Let us pray, let us "get woke" let us be vigilant and active.
