### WEEKLY PARISH BULLETIN - AND... COVID-19 PANDEMIC UPDATE - NO. 49

## WERE THEY NOT AWARE!?

Were the women that went to the tomb of the Lord not aware that the tomb had been **sealed** by the Roman governor and a **guard** from the Temple had been placed there to make absolutely sure that no followers of Jesus would even get near!? Were they not aware that even getting there, who would roll away the **massive stone** that had been placed there across the entrance!? They must have been aware that Jesus' body, by that time, would have been **dead and lying there** for a couple of days... (cf. John 11:39). But in spite of all these things, they wanted to do the **caring** thing, the **right** thing and give Jesus a proper religious burial. They wanted to do this, because Jesus deserved this, because his loving mother would be comforted by this - knowing that her Son, who was so brutally murdered in front of her by the very people who should have loved and protected Him, at least had a decent burial as the Sacred Scriptures prescribed. Jesus, after all, was a faithful adherent of the law and a faithful Son of God, why would the people around him not want Him to have a proper burial!? Only those that didn't care (*the pagan Romans*) or those that hated him (*the spiritually lost religious leaders*) would not want him to have a proper burial. *[Even those that didn't believe, or chose not to believe, if they had any decency, would respect the beliefs of the deceased and ensure that He had a burial according to His beliefs.]* Well, the good women did what women often do. They did not allow the seeming impossibility of the task at hand to dissuade them from trying to do the right thing. They were convinced that somehow, by the Grace of God, it would work out. In fact it worked out even more amazingly than they imagined... the stone was rolled away - the tomb was empty! The guard was gone - an Angel was there! Jesus did not need anointing for the dead - because **He is alive!**

God bless the women of faith in our lives!

### May 6- **Kids & Teens** YouTube program- ***“Life with the Lorenzo’s”***- premiere at 5 pm.

We have all been given the gift of being part of a family but sometimes it is hard to know what role we play as kids and teens. God calls us to be bearers of light wherever we go, most especially within our family. So, we have to share a part of ourselves with our families no matter how hard it can get sometimes. We must be willing to be there for our family so we can bring light to them when they experience darkness. When we learn to love like Christ and follow Him, we will have the light of life. Grab your popcorn and gather your family for a faith-filled comedy that will make you laugh, dance, pray and reflect!

### May 6 – **Young adult** YouTube live session (ages 16+) – ***“Singing through the Storms”*** at 7 pm.

It is said that “faith is seeing light with your heart when all your eyes see is darkness.” As the generation of emerging adults, we find ourselves being surrounded, experiencing dark times through the stress & pressure society brings. And yet the resiliency and perseverance of this generation continues to be the light for others. How do we continue to grow in our faith when daily temptations come in the way? How do we continue to praise God in our darkest and loneliest times? Come hear the stories of young adults live their life in Christ’s light while tackling the modern-day challenges of mental health, vices, and more. We invite mature audiences for an evening of stories, music, and prayer. Come spend some much-needed time and be present with the brightest light of all, Jesus. Come hear, reflect, and share your heart with God through Eucharistic Adoration.

### May 7 – **Adult** ***“Don’t waste your wilderness experience...Shine your Light!”*** 7:30-9:00 pm

Robert Rogers shares his tragic life-changing story, how God moved to bring light in his darkest moments. In order to get us to where God wants us to be, He often leads us through a wilderness experience. Embrace this challenging time, no matter what the degree, the dynamic, or the duration. Don’t try to prematurely exit it by short-circuiting it. Rather, allow God to finish developing your faith, refining your character, and conforming you more into the image of Jesus. Come listen, learn, discuss, and be inspired!

### May 8 – **Family Conference & Divine Liturgy** YouTube live – ***“Walking in the wilderness, Living in the Light”*** 1:30-5:00 pm

Catholic Family conference, focusing on families: parents, grandparents, children, teens & young people! We are excited to have you to join us as we continue to journey exploring our theme. This conference will encourage families to pray, sing, dance, explore, design, and share ways we can be light to each other and the world through family worship, activities & sharing. The domestic church is believing that how we live out our faith in our own family life can change the world. In virtue of this belief, we will conclude our conference by virtually celebrating mass as the domestic church together with our 3 Archbishops in a very special live-streamed mass!

**If I pray to Saint Joseph, can he really help me in my need? Does he answer my prayers?**

Well, first of all, we need to remember always that we are part of the "Communion of Saints" this includes all those that strive for - or have attained to - holiness. This means all those who strive to live according to the "commandments of God" as expressed in the Bible and in the teachings of the Church of Christ **here on earth** (*that's you and me, still making it through this earthly journey until the Lord calls us from this life*). This includes also those many that are making the journey to Heaven... passing through that existence that we call **Purgatory** (*that's our loved ones and those countless others that have died and are experience that purification - purging of any imperfection caused by sin - to enter into heaven in a perfect state of holiness*) and that includes, of course, the **Saints in Heaven** (*those that we recognize as such officially and those that have not been officially declared as such and probably won't be until the final judgement*). WE PRAY FOR AND HELP

EACH OTHER! When we pray to Saints, like St. Joseph, we are really praying **to the Lord**, but **through** someone who the Lord loves in a special way because he successfully *did the Will of God*. The Lord is pleased with St. Joseph and to give St. Joseph the honour of presenting your request before the Lord is to honour the Lord, because you are honoring one of the Lord's **success stories**. St Joseph was a faithful servant of the Lord and he has the Lord's ear...
