WEEKLY PARISH BULLETIN - AND... COVID-19 PANDEMIC UPDATE - NO. 50

Evangelize? Who, me!? Yes you (Who else!?) **Twelve** Tips for Effective Evangelization

1. Witness of life. Show signs of a faith that is alive, of a conviction that is real, of a love for God that is attractive. Ensure that your behavior and choices clearly display the love of God.

2. Include God in your vocabulary.

Aware that it is not against the law to speak about God and His marvelous works in our daily lives, bring Him up in a casual way in your everyday conversations, acknowledging Him as the giver of all good gifts, as the One who answers prayers, as the One who directs the course of our lives when we submit to His all-loving plan. Meaning it from the heart...

3. Become a person of welcome.

Practice becoming increasingly welcoming toward others, making every effort to avoid critical or judgmental thoughts...

4. Develop relationships of care and trust.

Ask the Lord to instill within your heart His own sentiments and care for the people in your life with whom He would like you to share about His salvation and plan for their lives.

5. Establish a common interest.

...work patiently to establish mutual interests with others, beginning first where **their** interests lie,

6. Arouse their interest.

Praying that the Holy Spirit touch both the heart of your listener as well as your lips to speak His word, be alert for opportunities to share a spiritual experience and arouse some curiosity for the Faith.

7. Share your faith story.

Take some time to prayerfully put into writing what Christ has done for you and what He means to you, and how participation in the life of His Church has changed your life... share this testimony or story of faith with those around you.

8. Present the "Christ-event" or kerygma without fear or hesitation, and with great love and humility.

Discern your listener's openness to hearing the Good News of God's plan of salvation for us, and respectfully present the core of the Gospel message in a clear, concise and convincing manner, that touches the heart and mind of your listener.

9. Extend an invitation.

Invite your listener to accept God's salvation and new life offered in Christ, the only Savior of the world, by making an explicit commitment to Him.

10. Facilitate incorporation into the Body of Christ.

Inquire as to the person's readiness to receive the Church's Sacraments of Initiation and arrange accordingly

11. Do not condemn.

Imitate our Lord's own compassion and merciful love, and associate with those whose lives may not be all that God desires of them and with those who may have questions and objections about the faith; and pray that the Holy Spirit continues to work in their hearts as He has done in yours, while you humbly acknowledge that we ourselves have not merited the Faith we profess but have received it purely as a gift from our merciful Lord.

12. Know when to stop.

Be careful to give only as much of the Message as he or she is ready to hear at this particular time, while you continue to pray for other opportunities to share the Good News with them.

May 6- Kids & Teens YouTube program- ***"Life with the Lorenzo's"***- premiere at 5 pm.

We have all been given the gift of being part of a family but sometimes it is hard to know what role we play as kids and teens. God calls us to be bearers of light wherever we go, most especially within our family. So, we have to share a part of ourselves with our families no matter how hard it can get sometimes. We must be willing to be there for our family so we can bring light to them when they experience darkness. When we learn to love like Christ and follow Him, we will have the light of life. Grab your popcorn and gather your family for a faith-filled comedy that will make you laugh, dance, pray and reflect!

May 6 – Young adult YouTube live session (ages 16+) – ***"Singing through the Storms"*** at 7 pm.

It is said that "faith is seeing light with your heart when all your eyes see is darkness." As the generation of emerging adults, we find ourselves being surrounded, experiencing dark times through the stress & pressure society brings. And yet the resiliency and perseverance of this generation continues to be the light for others. How do we continue to grow in our faith when daily temptations come in the way? How do we continue to praise God in our darkest and loneliest times? Come hear the stories of young adults live their life in Christ's light while tackling the modern-day challenges of mental health, vices, and more. We invite mature audiences for an evening of stories, music, and prayer. Come spend some much-needed time and be present with the brightest light of all, Jesus. Come hear, reflect, and share your heart with God through Eucharistic Adoration.

May 7 – Adult ***"Don't waste your wilderness experience... Shine your Light!"*** 7:30-9:00 pm

Robert Rogers shares his tragic life-changing story, how God moved to bring light in his darkest moments. In order to get us to where God wants us to be, He often leads us through a wilderness experience. Embrace this challenging time, no matter what the degree, the dynamic, or the duration. Don't try to prematurely exit it by short-circuiting it. Rather, allow God to finish developing your faith, refining your character, and conforming you more into the image of Jesus. Come listen, learn, discuss, and be inspired!

May 8 – Family Conference & Divine Liturgy YouTube live – ***"Walking in the wilderness, Living in the Light"*** 1:30-5:00 pm

Catholic Family conference, focusing on families: parents, grandparents, children, teens & young people! We are excited to have you to join us as we continue to journey exploring our theme. This conference will encourage families to pray, sing, dance, explore, design, and share ways we can be light to each other and the world through family worship, activities & sharing. The domestic church is believing that how we live out our faith in our own family life can change the world. In virtue of this belief, we will conclude our conference by virtually celebrating mass as the domestic church together with our 3 Archbishops in a very special live-streamed mass!

YEAR of SAINT JOSEPH 2021

О благословенний Святий Йосифе, ніжний Батьку, вірний Опікуне Ісуса, чесний Обручнику Божої Матері. Молюся, щоб Ти зволив разом зі мною віддавати хвалу Богові Отцю через Його Божественного Сина, Котрий вмер на Хресті і возстав знову, щоб подати нам грішникам нове життя. Через святе Ім'я Ісуса молися зі мною, щоб ми могли одержати від Предвічного Отця ласку, про яку просимо *(тут назвати прохання...)*. Ми спронеувіривалися вірній любові Бога Отця. Тому виблагай в Ісуса милосердя для нас, його братів. Не забудь у насолоді розкішної Божої Присутності про скорботи тих, що терплять, - що моляться, - що ридають. Нехай задля Твоїх молитов і молитов Твоєї Пресвятої Обручниці, Пречистої Діви Марії, любов Ісуса відповість на наші мольби і надію. Амінь

35 YEARS SINCE CHERNOBYL

Let's join in prayer, not just to remember, but that it never happens again! It was not just an "accident". It was due to gross negligence because the people that were put into power were not competent and they didn't care except for their own careers and to protect the image of the corrupt totalitarian regime.

TOMORROW! MONDAY 26 April at **5:23 pm** (When the explosion took place 35 years ago) **in Church & Online**

Please remember in your prayer, call, write to our isolated parishioners...
