Required**

WEEKLY PARISH BULLETIN - AND... COVID-19 PANDEMIC UPDATE - NO. 64

FAREWELL TO FATHER MICHAEL

Well, the date has arrived. Although I will continue to pray the weekday services in the parish to the end of the week, this is my last Sunday with all of you. To be honest, my heart is kind of heavy as I write these words. In spite of the attempt at humour with the picture below, I don't feel much in a joking mood. However, I do look forward to meeting up with those of you who can make it to church today and to see you "in person" - something that hasn't been possible for everyone over the last year and a half (!) That is perhaps the additional disappointment with the timing of my going from Holy Eucharist Parish - 1. that I haven't seen everyone for quite some time and 2. things are just opening up again and it seems that Parish life will start buzzing again! Well, having said that, there are no major regrets. I have had the joy of serving Holy Eucharist Parish for some 12 years. This parish that has just celebrated a full century of activity! This parish that is known for its enthusiasm and very professional and successful work over the years. Of course we give credit to those that came before us and those generations that will come after us, but - with all due respect to our sister parishes - I wouldn't hesitate to say that this parish does have the most beautiful church and the most amazing parish centre in the Archeparchy. There have been many wonderful and memorable moments. Projects, events, prayer vigils and many truly spiritual moments that I will carry with me as I go forward. I pray that if the Lord has granted us any seeds of insight or conviction in our faith over the last dozen years, that we will take care to nourish and grow them into even more zealous action based on the commandments that He gave us of **love of God** and **love of neighbour**. In spite of the many changes imposed on us by the coronavirus and the associated restrictions and because of them, there is a lot that we can and must do moving ahead.

GOD BLESS YOU!

Hey, just a little tip... with the construction around our parish property there are some things to watch out for...

1. there is a **solid yellow line** on Watt St. at the north entrance of the church parking lot (closest to the church). Think about how you turn. 2. and check the shifting construction - it may make a difference as how best to access the

Parish
